Questions

1. Is your firm aware of any other brand name of parts that can be used with VAC-CON parts?
2. Is your firm an authorized distributor for VAC-CON parts and service?
3. Are you an economically disadvantage business?

4. Are there any new commercial practices required for this assembly?

5. If yes, explain.

6. Do you currently, or have you previously held a government contract for the same assembly?
If so, could you provide the complete contract number?
