

Questions and Answers for Solicitation N32253-26-Q-0008
VERSION 2

Question 1: Would you be able to ask the project if they are willing to have either an open or closed cab 14k forklift?

ANSWER: Either is fine. Preferably open.

Question 2: We would like to clarify the required fork length for the long-tine forklifts specified in the PWS. Could you please confirm whether the required fork length is 60", 72", or another specification?

ANSWER: Fork Length is 60"
