3. Company Capability

Provide company capability statement to demonstrate the ability to successfully perform the required work. Please be as descriptive as possible. Capabilities related to the requirement include cutting and welding of steel, surface treatments, sea trials, and other fabrication activities.

4. Past Project Examples

Provide descriptions of three (3) projects completed within ten (10) years of the date of this notice that demonstrates experience, as a prime or subcontractor, similar to the requirements of this project. Include the following in the description:

- Project Name
- Contract No. (If Applicable)
- Year Completed
- Performance as a Prime or Subcontractor
- Type & Percentage of Work Self-Performed (based on total contract value)
- Total Dollar Amount of the Contract
- General Description of the Project

5. If subcontracting is anticipated, please describe what work would be self-performed for this requirement and indicate what percentage would be subcontracted. If anticipated subcontractors are known, please list.

6. If this requirement is advertised, do you anticipate submitting a proposal?

7. Please provide any additional information you feel is necessary.
