Delivery appointments and submission of a Visit Authorization Request (VAR) are MANDATORY for contractors, their employees, and agents to NUWCDIVNPT. Access to NUWCDIVNPT will not be granted under any circumstance without an escort and a valid VAR on file. A VAR is not required for the submission of quotes. Details about VAR can be found at: <https://www.navsea.navy.mil/Home/Warfare-Centers/NUWC-Newport/Contact-us/Mandatory-Visit-Request/>

The Government intends to award a single FFP purchase order to the eligible, responsible offeror whose offer represent the lowest price technically acceptable quote. in order to be determined technically acceptable, the offeror must quote the required items, no substitutions, in the required quantities as well as have a CMMC Level 1 or higher. The Government will consider past performance information where negative information within the Supplier Performance Risk System (SPRS) may render a quote being deemed technically unacceptable.

The CMMC level required by this RFQ is: CMMC Level 1 (Self-Assessment). This CMMC level, or higher (see 32 CFR part 170), is required prior to award for each contractor information system that will process, store, or transmit Federal contract information (FCI) or controlled unclassified information (CUI) during performance of the contract. See Provision 252.204-7025 and Clause 252.204-7021, included in this RFQ.

The Offeror shall provide, in its offer, the CMMC unique identifier(s) (CMMC UIDs) issued by SPRS for each contractor information system that will process, store, or transmit FCI or CUI during performance of the contract resulting from this RFQ.

The below FAR and DFARS provisions and clauses apply to this solicitation:

FAR 52.217-8 Option to Extend Services

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within 1 month of the period of performance start date of the option CLIN.
