RESPONSES REGARDING POTENTIAL SOURCES STATEMENT OF

CAPABILITIES: Interested Offerors having the required specialized capabilities/ qualifications to support some or all the work described in the draft PWS are asked to answer the following questions and submit a capability statement. Capability statements shall contain the following information. In response to this SSN, vendor responses are limited to ten (10) written pages (PDF or MS Word Format) and should include:

1. Identify any condition or action that may be having the effect of unnecessarily restricting competition with respect to this acquisition and identify alternatives or solution solutions. Also contact the Mission and Installation Contracting Command (MICC) Advocate for Competition, Scott Kukes, at scott.d.kukes.civ@army.mil or (520) 944-7373, if you believe that this action is unreasonably restricting competition. Include the subject of the acquisition, this announcement, and the MICC POC information from the SSN. Provide the specific aspects that unreasonably restrict competition and the rationale for such conclusion.
2. Provide name of the firm, point of contact, phone number, email address, Unique Entity ID, CAGE code, identify business size (large business or a small business) and if applicable, a statement regarding small business status including small business type(s)/certifications(s) (e.g., SDB, 8(a), HUBZone, SDVOSB, WOSB, etc.), and the corresponding NAICS code.
3. What percentage of work will be performed by the small business prime contractor and all similarly situated entity subcontractors? **Note: See FAR 52.219-14(e)(1) Limitations on Subcontracting (Oct 2022) (DEVIATION 2021-O0008).** If your firm is interested in competing for this requirement as a prime contractor and you plan to subcontract any of the services out, contemplating a Joint Venture, and/or creating a teaming arrangement, please provide the name of these companies and what work and what percentage of work they will be performing, if available.

"Similarly situated entity" means a first-tier subcontractor, including an independent contractor, that has the same small business program status as that which qualified the prime contractor for the award and that is considered small for the NAICS code the prime contractor assigned to the subcontract the subcontractor will perform. An example of a similarly situated entity is a first-tier subcontractor that is a HUBZone small business concern for a HUBZone set-aside.

In addition, the Contractor agrees in performance of a contract for services, it will not pay more than 50 percent of the amount paid by the Government for contract performance to subcontractors that are not similarly situated entities.

4. Please provide information in sufficient detail regarding any relevant previous experience (indicate whether as a prime contractor or subcontractor) on similar requirements (include size, scope, complexity, timeframe, government or commercial), pertinent certifications, etc., that will facilitate making a capability determination.

5. Describe your experience in regard to developing dashboard information and recommendations across a large-scale organization.

6. Provide information to help determine if the service is commercially available, including pricing information, basis for the pricing information (e.g., market pricing and catalog pricing), delivery schedules, customary terms and conditions, warranties, etc.

7. Identify how the Army can best structure these contract requirements to facilitate competition.

8. Provide any recommendations to improve the Army's approach/specifications/draft PWS/PRS to acquire the identified services.

9. Does Contractor possess a secret facility clearance from the Defense Security Service?

10. Does Contractor's employees that will perform the work in support of this contract have a secret security clearance from the Defense Industrial Security Clearance Office?
