SCOPE OF WORK

The Contractor shall assist the United States Marine Corps Installation Command (MCICOM) Marine Corps Housing Program (GF3) in assessing and improving its business processes through tenant satisfaction surveys and related analysis while ensuring compliance with applicable directives/Orders/Policies. The scope of work under this contract involves technical and project management support services including data collection, analyses, and reporting, particularly in terms of housing satisfaction in support of the Marine Corps Housing Program as detailed within the Performance Work Statement (PWS). See Enclosure 1 and Enclosure 2 for additional information.

It is anticipated that these requirements will not materially change from the date of this notice to the date of solicitation issuance.

QUANTITIES

The estimated period of performance is 52 months consisting of a 5-month base period, one (1) 11-month option period, and three (3) 12-month options periods.

CONTRACT LINE-ITEM NUMBERS (CLINS) AND UNIT OF ISSUE

It is anticipated that each performance period will include the following line items:

CLIN 0001 (series) – Family Housing (FH) Satisfaction Survey Support Services; Unit of Issue – “months”

CLIN 0002 (series) – Private Public Venture (PPV) Satisfaction Survey Support Services; Unit of Issue – “months”

CLIN 0003 (series) – Unaccompanied Housing (UH) Satisfaction Survey Support Services; Unit of Issue – “months”

CLIN 0004 (series) – Other Direct Costs (ODCs) in the form of printing, packaging, and shipping services for the UH door hangers; Unit of Issue – “lot”

It is anticipated that the solicitation will be issued on or before 21 April 2026 using the Procurement Integrated Enterprise Environment (PIEE) Solicitation module and utilize its interface with SAM.gov and that this procurement will be subject to the final availability of funds of fiscal year 2026.
