PERFORMANCE WORK STATEMENT (PWS)

Ultrasonic Impact Treatment and Hammer Peening of HY-100 Weldments (base with option)

1. Description of Services/introduction

Naval Surface Warfare Center, Carderock Division (NSWCCD) Codes 61, 62, and 65 are investigating the effects of ultrasonic impact peening treatment (UIT) and hammer peening on the fatigue performance of HY-100 weldments. To support this investigation, the NSWCCD needs to procure procedure development, UIT and hammer peening services. This purchase, and subsequent testing, supports NAVSEA PMS450 Task No. 450-T-0055 Welding Fatigue Improvement.

2. Objective

The objective of this purchase is to procure procedure development, UIT and hammer peening services from a single contractor. The contractor shall develop the treatment procedure and provide to the Government for approval. The Government will provide Tee and Butt weldments to the contractor for UIT and hammer peening treatments. The weldments will be provided in batches, described in Section 2.3. For base contract Initial Batch Treatments, the contractor shall perform both UIT and hammer peening, per Section 2.3.1. The Government will purchase Second Batch Treatment services, either UIT or hammer peening, as an exercised contract option, per Section 2.3.2. The full list of services required and requirements for each service are provided below.

Specimens will be identified and labeled upon delivery to the contractor. The contractor shall reference the provided IDs to track which treatments are applied to which specimens.
- The contractor shall handle all Government furnished material with care so that no damage, scratches, gouges, or dents, are inflicted on the material.
- The contractor shall be responsible for initiating the UIT and hammer peening within 5 business days of the date that the samples are received or the treatment plan is approved by NSWCCD, whichever date comes second.
- The contractor shall complete all UIT and hammer peening treatments, for each batch provided by The Government, within 2 months of receipt of material.
- The contractor shall ship treated weldments back to NSWCCD. All shipped material shall be packaged to preserve the integrity and maintain the identity of the specimens.
- The contractor shall be responsible for submitting invoices to the Government within two months from the time of Government review and acceptance of all treated weldments.

2.2 Hammer Peening and UIT Treatment Requirements

The contractor shall document and develop a treatment plan for the weldments based on industry best practices and provide it to the NSWCCD for review and approval.

The treatment plan shall cover hammer peening and UIT treatments for the provided butt and tee weldments.

The contractor shall apply both types of weld treatments with robotic tools.

The contractor's UIT equipment shall be powered by a magnetostrictive transducer.

The contractor's UIT equipment shall be able to perform at a 100% duty cycle.

The contractor shall use pneumatic equipment for hammer peening treatments.

For each specimen, the contractor will apply the treatment to every weld toe. There are 2 weld toes on each tee joint, and 4 weld toes on each butt joint.

52.212-2 Evaluation-Commercial Products and Commercial Services. (Deviation)

(Feb 2026)

52.212-2 EVALUATION--COMMERCIAL ITEMS

(a) Basis for Award

The Government has determined that an award to the responsible Quoter that submits the Lowest-Priced, Technically Acceptable (LPTA) quote in response to this solicitation will represent the best value to the Government. Quotes will be evaluated to determine the LPTA quote based on the following factors:

Factor 1 Price

Factor 2 Technical Capability/Approach

A quote must be rated "ACCEPTABLE" for each non-price factor to be eligible for award. An "UNACCEPTABLE" rating for any non-price factor will result in the entire quote being rated "UNACCEPTABLE" overall; an overall rating of "UNACCEPTABLE" makes a quote ineligible for award. A quote must contain sufficient information to enable evaluators to determine acceptability; if there is insufficient information to determine acceptability of the quote, the quote will be rated "UNACCEPTABLE" overall. Each of the evaluation factors will be rated as set forth below. Technical tradeoffs will not be made and no additional credit will be given for exceeding acceptability. The Government will evaluate the lowest priced quote for technical acceptability. If it is not acceptable, the Government will evaluate the next lowest quote for technical acceptability, and so forth, to determine the lowest-priced, technically acceptable quote, at which point all evaluations will stop.

The Government reserves the right to request that the awardee reduce its total price, or adjust CLIN prices with no change to total price, in order to reduce administrative costs and avoid unnecessary burdens for the agency pursuant to FAR 13.002.

(b) Evaluation Factors

Factor 1: Price

Quotes must include a proposed price for each Contract Line Item Number (CLIN). The Government will determine prices by adding the total proposed price for all CLINS, including all options. Quotes will be ranked from lowest- to highest-priced.

Factor 2: Technical Capability

The Government will evaluate the lowest priced Quoter for acceptability of Technical Capability. If the quote is not found to be acceptable, the Government will evaluate the next lowest quote for acceptability of technical capability, and so forth, to determine the lowest-priced quote that is acceptable for Technical Capability.

Technical Capability evaluations will result in one of the following ratings:

TABLE 1 - TECHNICAL RATINGS

Rating Description

Acceptable Quote clearly meets the minimum requirements of the solicitation.

Unacceptable Quote does not clearly meet the minimum requirements of the solicitation.

Minimum Requirements:

The following are the minimum requirements a quote must meet to be deemed acceptable for the Technical Capability factor:

1) Meets or exceeds all minimum specifications as listed in the solicitation

PRICE

Quoters responding to this solicitation are advised that, prior to award, the government may request quoters to submit information/data to support price reasonableness such as copies of paid invoices for the same or similar items, sales history for the same or similar items, price list with effective date and/or copies of catalog pages along with any applicable discounts.

QUESTIONS: Any questions in relation to this solicitation shall be submitted via e-mail to Michael Brodie at michael.s.brodie7.civ@us.navy.mil. All questions received will be answered in an amendment to the solicitation.

The cut-off date for questions is 12PM on 24-March-2026.

(b) Contract Award

The Government shall mail or email a written notice of award to the successful quoter. Upon receipt, the quoter shall either commence performance, or have an authorized representative sign the award and return it to the Contracting Officer; a binding contract is formed upon the earlier of either of

those actions.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. (c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

(1) It ☐ is ☐ is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [Offeror shall select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals-

- (1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;
- (2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;
- (3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and
- (4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment*. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples*.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126)*. (ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

(l) *Taxpayer Identification Number (TIN)* (26 U.S.C. 6109, 31 U.S.C. 7701). (Not applicable if the offeror is required to provide this information to the SAM to be eligible for award.)
