

SALIENT CHARACTERISTICS
FA465926QZ005

1. General:

All parts and components must be compliant with 25.1 -Buy American- Supplies outlined in www.Acquistion.gov FAR Overhaul. All components, whether designated as critical or non-critical, must be compatible with one another to ensure the successful construction and operation of a complete system.

The critical components must be listed on the Blue UAS Framework.

<https://bluelist.appsplatformportals.us/UAS-Framework/>

2. Parts/Materials:

Critical Components	Part Number	Description
Flight Controller		
ESC (Electronic Speed Controller)		
VTX (Video Transmitter)		
Rx (Radio Receiver)		
GPS		
Camera (FPV)		
Antenna (VTX/Rx)		
RC TX (Controller)		
VRX FPV Goggles		

Non-Critical Components		
Motor		
Props (Propellers)		
Battery (Drone)		
Dropper Strap		
Hardware		
Filament		

Goggle Battery Case		
Goggle Battery		
Goggle Antenna		
Goggle Battery Charger
