REQUEST FOR INFORMATION (RFI) / SOURCES SOUGHT FOR LEASE

VA is seeking to lease a maximum of 5,613 Rentable Square Feet (RSF) / 4,158 ANSI/BOMA Office Area square feet (ABOA) of clinical space in Eureka, California. The space needs to be contiguous. Operations will be for outpatient readjustment counseling needs for Veterans. The property shall include 26 on-site surface parking spaces. Veteran beneficiaries in this catchment area will gain access to a greater range of services closer to where they live in lieu of being referred out to the community. The Government seeks to award a lease contract for 5 years firm term and 15 years soft term due to both immediate and future known requirements.

***Notice:** This advertisement is a notice of a potential opportunity. This advertisement is not a solicitation for offers, nor is it a request for proposals. The purpose of this advertisement is to identify potential sources and suitable locations, and is not intended to pre-qualify or disqualify any potential offers. The Government will not pay for any costs incurred as a result of this advertisement. The Government cannot provide any warranty, expressed or implied, as to the accuracy, reliability or completeness of contents of the furnished information found within this advertisement; Government is under no responsibility to respond to and is unable to answer any inquiries regarding this advertisement. The space shall be in a quality building, constructed of sound and substantial construction, and shall be in compliance with Federal Laws & Regulations governing Federal Leases, Building and Fire codes, and the Americans with Disabilities Act (ADA). If not a new Building, the Space offered shall be in a Building that has undergone or will be completed by occupancy, modernization, or adaptive reuse for the Space with modern conveniences.

VA will consider space located in an existing building as well as a building being constructed for multi-tenant use and not specifically a build-to-suit for VA use only.

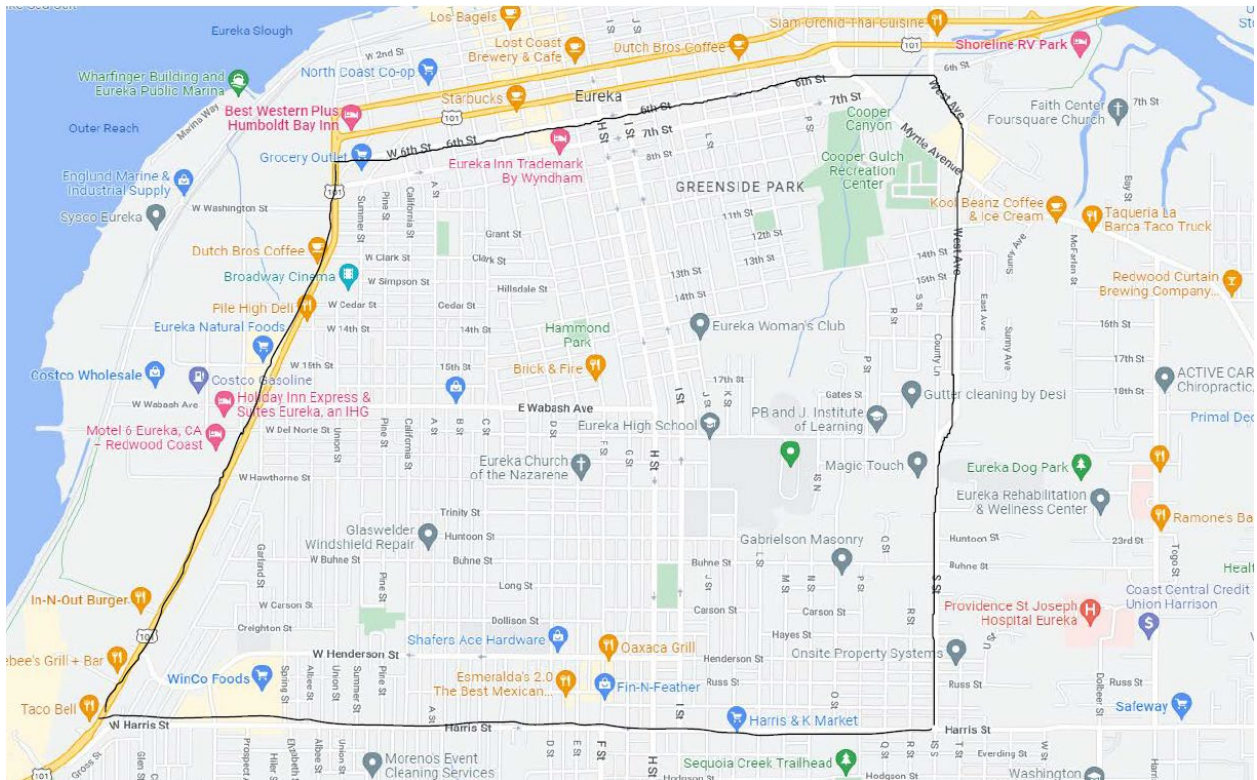

Access to public transportation shall be located within the immediate vicinity of the building, but generally not to exceed a walkable one mile as determined by the Contracting Officer. Alternatively, two or more public or campus bus lines usable by Veterans shall be located within the immediate vicinity of the building, but generally not to exceed a walkable ¼ mile. Offered space must meet government requirements for fire safety accessibility seismic and sustainability standards per the terms of the lease. Offered space shall not be in the 100-year floodplain.

The VA is conducting market research/seeking capable sources from bondable and experienced firms that are classified and registered in www.vetbiz.va.gov as either a Service-Disabled

Veteran-Owned Small Businesses (SDVOSB) or Veteran-Owned Small Businesses (VOSB). The NAICS Code is *531120 Lessors of Nonresidential Buildings*, and the small business size standard is \$30 million annual revenue. Responses to this notice will assist the VA in determining if the acquisition should be set-aside for competition restricted to SDVOSB or VOSB concerns in accordance with 38 USC Sec. 8127. Although this notice focuses on SDVOSB and VOSB, we encourage ALL small businesses and other interested parties to respond for market research purposes.
