D. QUALITY ASSURANCE:

1. The supply vendor warrants that the equipment provided shall be consistent with current industry standards as specified by the National Electrical Code (NEC)(NFPA 70) and Underwriters Laboratories (UL).
2. The equipment shall be free from any defects in materials and workmanship for a period of (5) years from the date of final acceptance. During this warranty period, the vendor shall, at no additional cost to the FBOP, correct any defects in the work that are identified. This warranty includes, but is not limited to, the following:
 - a. Materials and Equipment: All materials and equipment provided by the Contractor will be new, of good quality, and free from defects.
 - b. Compliance: All equipment will comply with the specifications and requirements set forth in this SOW and any related documents.

3. If any defects are discovered during the warranty period, the FBOP shall notify the vendor in writing. The vendor will respond promptly and take necessary actions to correct the defects within a reasonable timeframe

E. SUBMITTALS:

1. The vendor shall provide all required documents including Commercial Invoice, Packing List, Certificates of Compliance, Installation Manuals, Warranty Information, Safety Data Sheets (SDS) and Test and Inspection Reports whenever applicable.
2. The vendor shall provide the Contract Monitor, or COR, (3) copies of the Material Safety Data Sheets (MSDS) on all materials and substances that may be used during the project. In the event the Safety Manager does not approve the material, it shall be the responsibility of the Vendor to locate and procure an alternative product.

F. DELIVERY:

1. Delivery hours for the vendor are 7:30 AM – 2:30 PM, Monday through Friday, excluding weekends and federal holidays. Any delivery required to be completed at any other time than noted above must be re-scheduled accordingly.
2. The Facilities Department will assign a staff member authorized to receive or sign for any deliveries made to the site. At no point will a Bureau of Prisons (BOP) staff member receive or sign for a delivery if the vendor or his/her representative is not present to verify and accept the delivery.
3. The location of the delivery or drop off site shall be coordinated accordingly with FCI Sheridan assigned to receive the delivery. Access to the site will be available during normal working hours except during emergencies.
4. The vendor shall be responsible for providing their own means of loading and unloading the equipment.
5. The vendor shall take all their debris, scrap, and rubbish after delivery.

G. SAFETY:

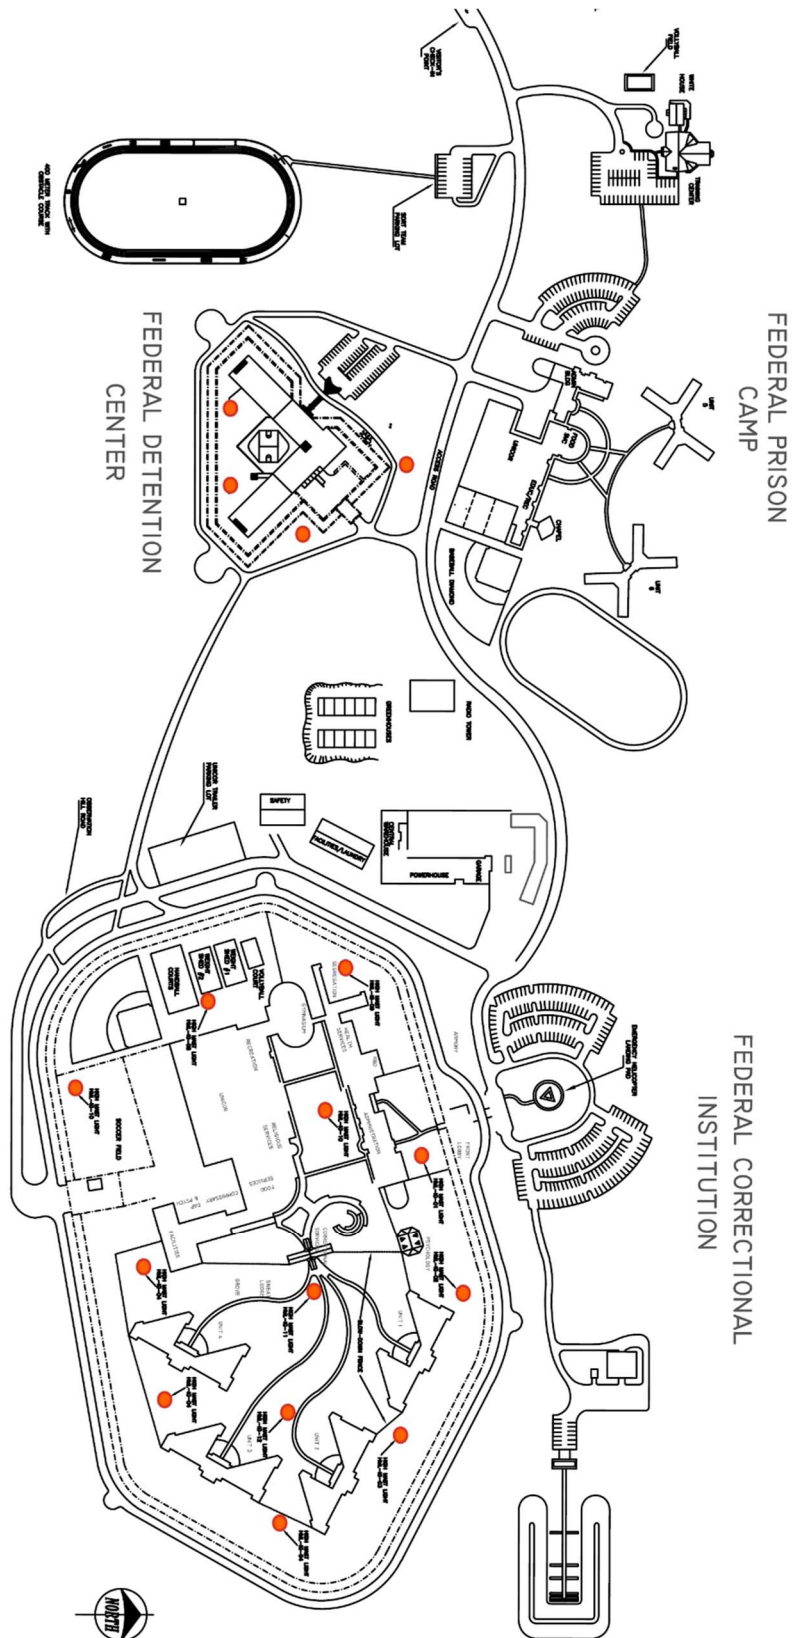

1. The Vendor's delivery personnel shall observe general safety procedures and protocols when making the delivery within the property of FCI Sheridan.
2. FCI Sheridan shall not be responsible for any safety mishaps caused by the Vendor delivery personnel during delivery and unloading of the equipment.

H. ADDITIONAL CONSIDERATIONS:

1. Delivery personnel will NOT be allowed to take pictures of the Institution, especially where adults-in-custody are present during delivery at FCI Sheridan.

2. Delivery personnel will be permitted to wear jeans in the Institution; however, the Institution will specify which colors of clothing shall not be allowed. The clothes shall be proper and suitable for the services that are being provided.
3. Smoking, including e-cigarettes and vaping devices are prohibited on Federal property. There are some exceptions and additional restrictions for Institutions that have designated smoking areas.
