PROGRAM BACKGROUND

The Fort Bliss Directorate of Emergency Services requires certified maintenance services for the Intoxilyzer 9000 breath alcohol testing instruments. These services ensure the operational readiness and legal compliance of the devices, which are critical to law enforcement's ability to detect and prosecute impaired-driving offenses on Federal property accurately. The Contractor will provide ongoing maintenance, calibration, certification inspections, operator training, and expert testimony to support these efforts. Fort Bliss law enforcement relies heavily on these devices but lacks an in-house, certified maintenance program to meet these requirements.

The Government employs a Performance-Based Services Acquisition (PBSA) strategy to define the requirements and performance standards for this contract. The Contractor is expected to meet or exceed these standards to ensure reliable and compliant operation of the Intoxilyzer 9000 instruments. The estimated period of performance is one (1) base year of 12 months, with four (4) 12-month option years, and a six (6) month extension option under FAR clause 52.217-8.

REQUIRED CAPABILITIES

The Contractor shall furnish all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items and non-personal services necessary to perform Intoxilyzer maintenance, inspection, court testimony, and training services at the Directorate of Emergency Services, Fort Bliss, TX. The Contractor shall ensure compliance with all applicable laws, rules, and regulations, Army Policy, and local, state, and federal laws.

The Contractor's tasks include, but are not limited to:

- Calibrating, maintaining, servicing, and inspecting three (3) Intoxilyzer 9000 breath alcohol testing instruments to ensure compliance with Texas State certification requirements.
- Conducting monthly on-site inspections, including checking reference solutions, verifying instrument calibration, and performing recalibrations as necessary.
- Maintaining accurate and up-to-date inspection and maintenance records and providing these records to prosecuting authorities upon request.
- Providing courtroom testimony as required.
- Conducting training for military and civilian police personnel assigned or attached to the Fort Bliss Provost Marshal's Office.
- Ensuring compliance with all applicable Federal, Texas State, OSHA, Army, and installation regulations.
- Period of performance will be one (1) base year of 12 months, with four (4) 12-month option years, and a six (6) month extension option, with a planned start date of 29
