General Information

The Louisiana Air National Guard (LA ANG) is conducting market research to identify potential sources capable of providing Rolling/Mobile Storage Solution for UTC Warehouse. This notice is issued solely for information and planning purposes and does not constitute a solicitation.

NAICS: 493110 – General Warehouse and Storage
Size Standard: \$34M

Contract Type: Firm-Fixed Price

The purpose of this Sources Sought Notice is to determine the availability of qualified small business, including (Small Business categories: 8(a), HUBZone, SDVOSB, WOSB, etc.), capable of meeting the requirements described below.

Requirement Information

Description: An enhanced and more efficient storage solution is essential for the UTC Warehouse to meet the growing demands of our operations. With the increasing volume and complexity of the containers that make up our UTCs, the 236 CBCS urgently requires the implementation of rolling shelves. These shelves will play a critical role in streamlining our storage process by improving the tracking, organization, and palletization of our UTC packages, allowing for better space utilization, easier access, and improved inventory management. This upgrade is key to maintaining operational efficiency and ensuring that we can meet both current and future storage needs.

Scope of Work: details/what the project includes sourcing and installing:

- Mobile Storage Unit: 32 each
- Relocatable Storage Unit: 4 each
- Installation : 1 each

Performance Period: TBD

Delivery Point/Location of Work: Hammond, LA
