What: 2026 GTP 2.0 Industry Day

When: March 25, 2026

Where: Zoomgov.com

Why:

- To further emphasize the Government's proposal requirements for the GTP 2.0.
- To provide the Government an opportunity to engage with industry to gain additional feedback.
- To clarify the Government's expectations for the program the resultant award will support.

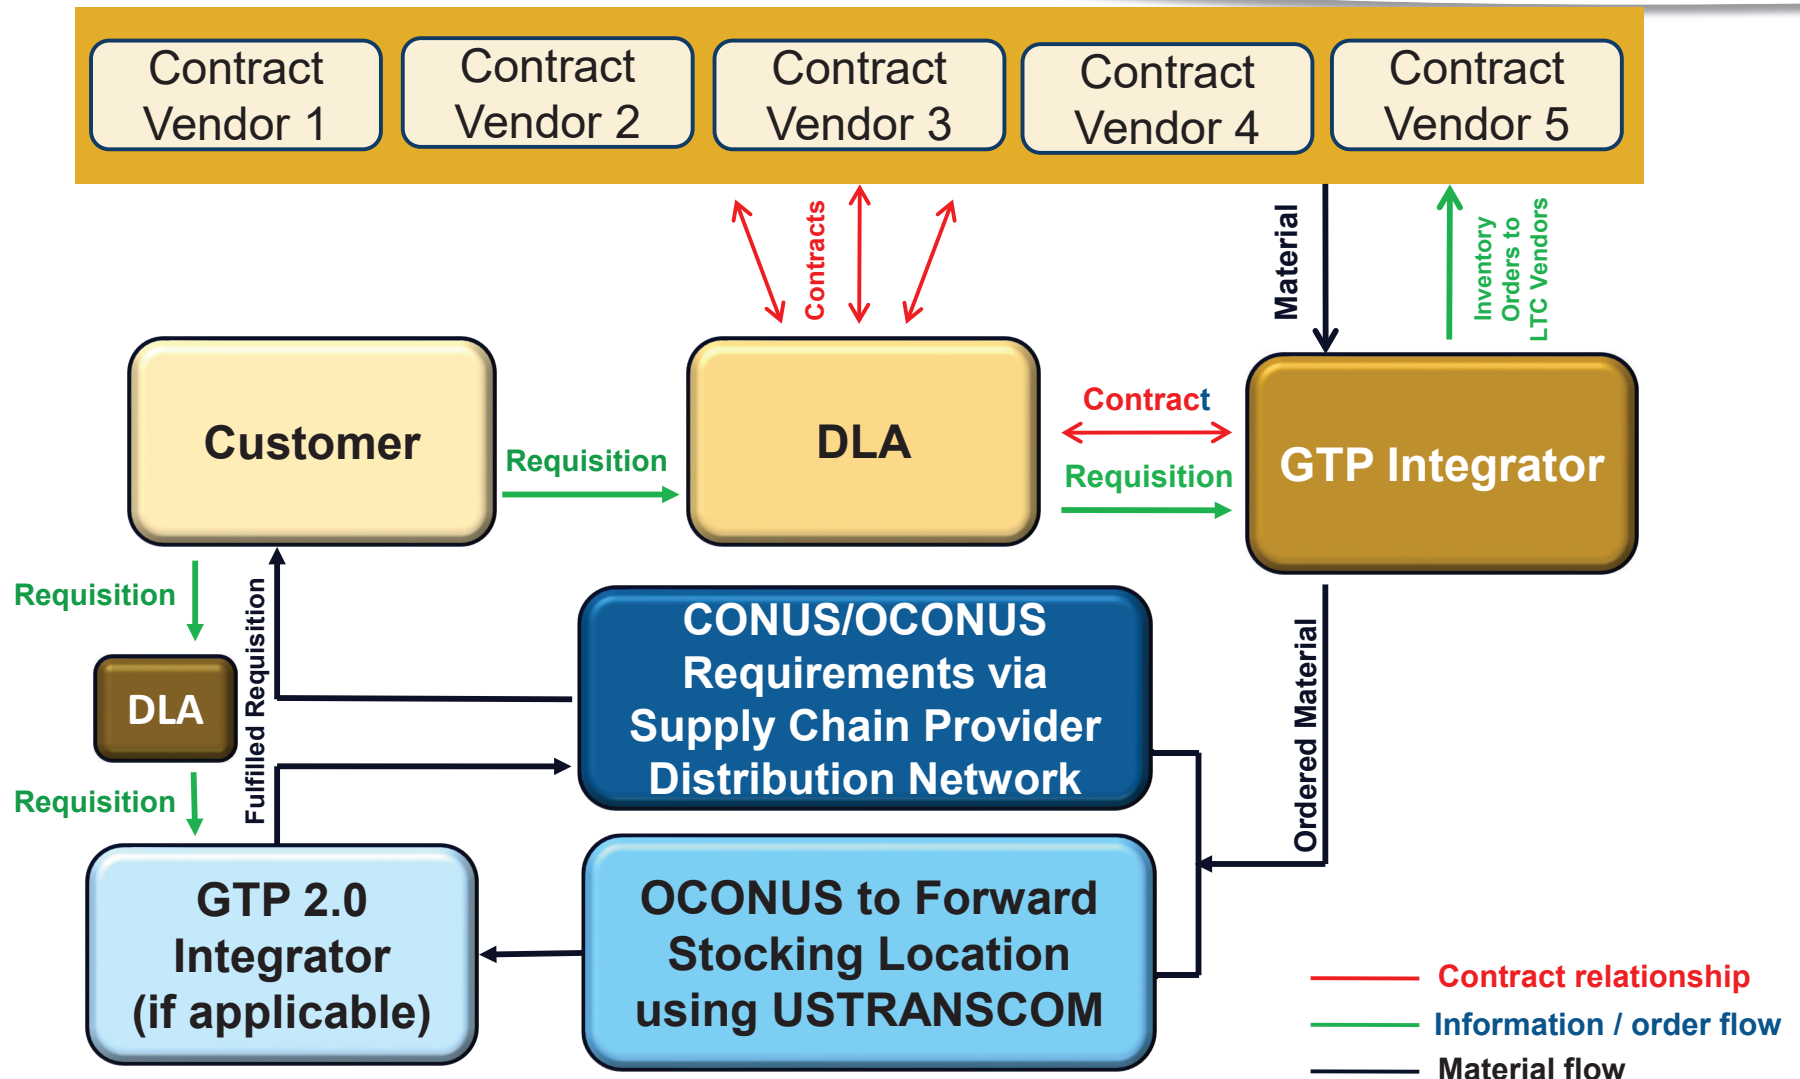

Scope: The GTP 2.0 contract scope of effort is the supply and supply chain management support of certain tires managed by the Defense Logistics Agency (DLA). The tires supplied will support aircraft and ground systems worldwide.

GTP 2.0 Acquisition Strategy: GTP 2.0 Contractor / Supply Chain Service Provider (SCSP) Contract with Multiple Long-Term Contracts (Vendor Contracts). The Government negotiates and awards SEPARATE contracts for logistics functions (GTP 2.0 Contractor / SCSP) and tires (Vendor Contracts). The GTP 2.0 Contractor is REQUIRED to obtain its inventory of tires from the Vendor Contracts established by the Government utilizing FAR Part 8.105-2.
