SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

SECTION SF 30 - BLOCK 14 CONTINUATION PAGE (SF 30)

The following have been added by full text:

0004

The purpose of this amendment is to:

1. Provide additional TIME SENSITIVE requirement for Preproposal Conference and **Site Visit** Info (Separate Attachment – SECNAV5512 Form)
 2. Provide revised Solicitation Submittal Requirements
 3. Provide solicitation Task Order Seed Project (P-691) Justification and Approval (J&A) Document (Separate Attachment)
 4. Provide revised list of attachments
 5. Provide PPI responses #36-47
-

1. TIME SENSITIVE requirement for Preproposal Conference and Site Visit Info Section 01 00 00 – General Requirements (Separate Attachment – SECNAV5512 Form)

**PRE-PROPOSAL CONFERENCE & SITE VISIT T (P691 Phase II Naval Air Station (NAS)
Patuxent River, MD**

PLEASE READ CAREFULLY

SITE VISIT BASE ACCESS INSTRUCTIONS ARE HEREBY REVISED:

PRE-PROPOSAL CONFERENCE & SITE VISIT BASE ACCESS REVISED PROCEDURES:

ALL interested participants must fill out the SECNAV5512/1, Attachment K, attached hereto, regardless of those who have already submitted a base access request forms as outlined in a prior Amendment.

All participants must complete the SECNAV 5512/1 FORM (ATTACHMENT K). When following all instructions in completing the SECNAV5512/1 Form for base access, please use the following in Box 25 Name of Base Sponsor as: Levi Uffens” (202) 528-4207. Please send the forms via email to Levi Uffens at levi.l.uffens@us.navy.mil with a copy to Molly Lawson at molly.e.lawson@us.navy.mil. The forms may be password protected with the password sent in a separate email. All requests and forms must be submitted as soon as possible **NLT Friday, April 4, 2025, by 12 noon (local time)**. If your information is not submitted by the date and time noted above, you will not be able to access the Preproposal Conference and Site Visit.

Site Visit Information (P691) | DAY OF THE EVENT:

WHEN: The Pre-Proposal Conference and Site Visit (P691) will be **held on Wednesday, April 9, 2025**, beginning at **10:00 am** local time.

WHERE: The Pre-Proposal Conference will begin at 10:00 am local time at the NAS Patuxent River Center State Theater, 22268 Cedar Point Road, Patuxent River, MD 20670.

NOTICE: Parking will be available at that location.

Immediately following the conference, visitors will return to their vehicles, then proceed and park at the Morale, Welfare and Recreation (MWR) **Building 652**, 47428 Emory Road, NAS Patuxent River, MD 20670. Once assembled, the Government will lead the group for a short walk to the **P-691 Phase II site visit** location.

- This will be only Government sponsored site visit event.
- Individuals must be prepared to wear Personal Protective Equipment (PPE) for the site visit (steel-toed shoes/boots, hardhat, and eye protection).
- Cameras/Phones/Photographs- site visit may allow photographs in limited areas; but may include restrictions that shall be followed.
- Ultimately, it is the contractor's responsibility to ensure timely arrival to the specified location. Due to heightened security, it is recommended that you allow sufficient time to get base access and meet at the pre-proposal conference location.
- The submitted pass request only allows access on the date of the site visit.

***Remarks and explanations addressed during the pre-proposal conference and site visit shall not be deemed or construed to constitute any representation or warranty by the DoD, or a legally binding agreement, contract or commitment between the DoD and any other party, or alter the terms and conditions of the solicitation**

***Reminder: It is the contractor's responsibility to check the sam.gov website, www.sam.gov for all amendments to the subject solicitation.**

2. Revised Solicitation:

Section 00 21 00 – Instructions

INSTRUCTIONS TO PROPOSERS

CURRENT:

i. Solicitation Submittal requirements

The Offeror shall submit one electronic copy per the instructions provided in the solicitation submittal requirements identified in the SF1442 Instructions to Offerors, Section 5. The Price and Non-Price Factors shall be submitted in separate files in a searchable Portable Document Format (PDF). Non-price information included in the price proposal package will not be considered. Likewise, price information included in the non-price proposal will not be considered. All submissions shall include the following:

- ... Cover page with solicitation number
- ... Solicitation title
- ... Offeror name, address, phone number
- ... Offeror Unique Entity Identifier (UEI)
- ... CAGE Code
- ... Employer Identification Number (EIN)
- ... Federal Tax ID Number
- ... Point of Contact (POC), POC phone number, and POC email address
- ... Note: If proposing as a Joint-Venture (JV), please submit the POC, UEI, and CAGE Code for each JV partner.
- ... Text pages 8 ½ x 11 format, 11-point font Arial.

REVISED TO:

i. Solicitation Submittal requirements

The Offeror shall submit one electronic copy per the instructions provided in the solicitation submittal requirements identified in the SF1442 Instructions to Offerors, Section 5. The Price and Non-Price Factors shall be submitted in separate files in a searchable Portable Document Format (PDF). Non-price

information included in the price proposal package will not be considered. Likewise, price information included in the non-price proposal will not be considered. All submissions shall include the following:

- ... Cover page with solicitation number
- ... Solicitation title

ASUS WILL MAKE THE FINAL CONNECTION BETWEEN ANY WORK IN THIS CONTRACT AND THEIR UTILITY SYSTEM. ASUS WORK WILL BE FUNDED AND CONTRACTED BY THE GOVERNMENT SEPARATE FROM THIS CONTRACT.” Furthermore, specification section 33 30 00 notes, “ASUS will construct the sewer and sewer services from the existing sewer main to a point approximately 5 feet from the building or the point indicated on the drawings. ASUS will construct the sewer piping per ASUS standard specifications and details. The contractor must coordinate with ASUS	
--	--	--	--	---	--

				regarding the building construction, sequence of construction, and connection points.” Please confirm this specification is only required for this Contractor for the first 5’ outside the building, and sanitary piping beyond 5’ of the building will be under ASUS’s contract with the government.	
39	CU Series	33 11 00	1.2.3	Reference CU series drawings and Specification Section 33 11 00 – Water Utility Distribution Piping. CU series drawing indicate water piping and water related appurtenances are “Provided by ASUS”. CU Profile drawings notes, “INSTALLATION OF NEW WATER AND SEWER UTILITIES: THE WATER AND WASTEWATER UTILITY SYSTEMS AT NAVAL AIR STATION PATUXENT RIVER ARE OWNED, OPERATED, AND MAINTAINED BY AMERICAN STATES UTILITY SERVICES, INC. (ASUS, “UTILITYOWNER”) AS PART OF THE NAS PATUXENT RIVER UTILITIES PRIVATIZATION (UP) EFFORT. ASUS IS THE SOLE PROVIDER OF THESE UTILITY SERVICES TO THE INSTALLATION. ALL WORK ON NEW CONSTRUCTION MODIFICATION OF EXISTING AND CONNECTIONS	Confirmed; Bid per RFP. Reference specification section is for Contractor reference. ASUS will be responsible for the scope of work as indicated in drawings and specifications.

				TO BE COORDINATED WITH KO WHO WILL COORDINATE WITH ASUS TO AUTHORIZE AND PROVIDE UTILITIES. ASUS WILL DESIGN AND CONSTRUCT ANY WATER OR WASTEWATER UTILITIES AT OR DOWNSTREAM OF THEIR POINT OF DEMARCATION (POD). ASUS WILL MAKE THE FINAL CONNECTION BETWEEN ANY WORK IN THIS CONTRACT AND THEIR UTILITY SYSTEM. ASUS WORK WILL BE FUNDED AND CONTRACTED BY THE GOVERNMENT SEPARATE FROM THIS CONTRACT.” Furthermore, specification section 33 11 00 notes, “ASUS will construct the water piping from the existing mains to a point approximately 5 feet from the building or the point indicated on the drawings. ASUS will construct the water piping per ASUS standard specifications and details. The contractor must coordinate with ASUS regarding the building construction, sequence of construction, and connection points.” Please confirm this specification is only required for this Contractor for the first 5’ outside the building, and water piping	
--	--	--	--	--	--

				beyond 5' of the building will be under ASUS's contract with the government.	
40	GC102			Reference drawing GC102 which notes, "ARCHAEOLOGIST REQUIRED ON SITE TO MONITOR THE TRENCHING OF THE FIRE SUPPRESSION LINE IN THEMATTAPANY - SEWELL DISTRICT". As ASUS would be responsible for this fire suppression water line per notes on the CU series drawings and specification 33 11 00 – Water Utility Distribution Piping, please confirm the archaeologist will be either provided under the government's contract with ASUS or provided directly by the government as the contractor will not be responsible for installing this water line.	Confirmed; Bid per RFP. The archaeologist requirement referenced is part of ASUS SOW.
41	Amend 2			Regarding Design Package Requests: Do "Interested Offerors" include Subcontractors or only General Contractors?	Bid per RFP Box 14. Offeror refers to the proposing firm
42	SF1442			Due to the delayed issuance of the seed project documents, and the complexity of the seed project and proposal response requirements, will NAVFAC postpone the proposal due date four (4) weeks to 13 May 2025?	Bid per RFP
43	13 of N4008025R9500.pdf	(1) Construction Experience	2	Given that there is a small business reserved pool in the MATOC, do these proposing firms with a small business	Yes - Bid per RFP

				designation under NAICS code 236220 also have to show final construction costs of \$50,000,000 or greater, along with one cost above \$100,000,000?	
	11	i. Solicitation Submittal Requirements	1	On Page 11 of the RFP, under Non-Price Proposal Factors - i. Solicitation Submittal Requirements, it requires proposals to be 11-point Arial font. The government-provided attachments that are to be included with our submission are formatted in Times New Roman, size 10 font. In an effort to avoid modifying the government-provided forms to ensure compliance with the typeface and font size requirements set forth, please confirm that Times New Roman, size 10 is acceptable.	See amendment 0004
44	i. Solicitation Submittal Requirements; (a) Organization Chart	1	On Page 11 of the RFP, under FACTOR 1 – Management Approach, i. Solicitation Submittal Requirements a. Organization Chart, offerors are required to provide an Organization Chart. Please confirm that the required Organization Chart can be submitted on an 11”x17” page.	Confirmed.	i. Solicitation Submittal Requirements; (a) Organization Chart
45	13	i. Solicitation Submittal Requirements	7	The definition of recency for the contractor’s experience requires projects to be	Bid per RFP.

				completed within the past 10 years. We would recommend that the Government expands this requirement to allow for projects that are currently in progress and greater than 75% complete to enable offerors to better exhibit experience with similar, relevant projects.	
46	11	FACTOR 1 - Management Approach, (i) (1)	1	In order to provide the Government with a comprehensive and succinct response to the solicitation requirements, we request that the Government expands the Management Approach from five (5) pages to ten (10) pages.	Bid per RFP.
47		Small Business Subcontracting Plan		The U.S. Small Business Administration (SBA) amended its regulations so prime contractors will receive credit towards its subcontracting plan goals for awards made to small business concerns at any tier under the contract, to the extent reported under the subcontracting plan of a lower tier other than small subcontractor (Federal Register Citation: 81 FR 94246). Please confirm that for this contract, prime contractors will receive credit towards subcontracting plan goals for lower tier subcontracts in accordance with this rule.	Confirmed, Bid per RFP.
