DISCUSSIONS**

Submit your best offer with initial proposals

Seed Project - P691 Phase II

Task Order: P-691 Phase II

- Design Bid-Build project
Location: **Naval Air Station, Patuxent River, MD**
- The project will provide a high-bay, steel-frame hangar on concrete pile and grade-beam foundation with a reinforced concrete slab, built-up roofing over insulated structural metal deck, and steel truss framing.
- The project includes aircraft parking apron, hangar access apron, and paved shoulders.

Seed Project- P691 Phase II

Additional Information: **P-691 Phase II**

- Considerations:
 - Scheduling- Syncing with Phase 1 completion
 - Scheduling- Long soil improvement timeline
- Project specific requirements
 - Demolition of hazardous materials in existing structures
 - Reports located in Specification Appendices A-D

P691 Phase II – SITE VISIT INSTRUCTIONS

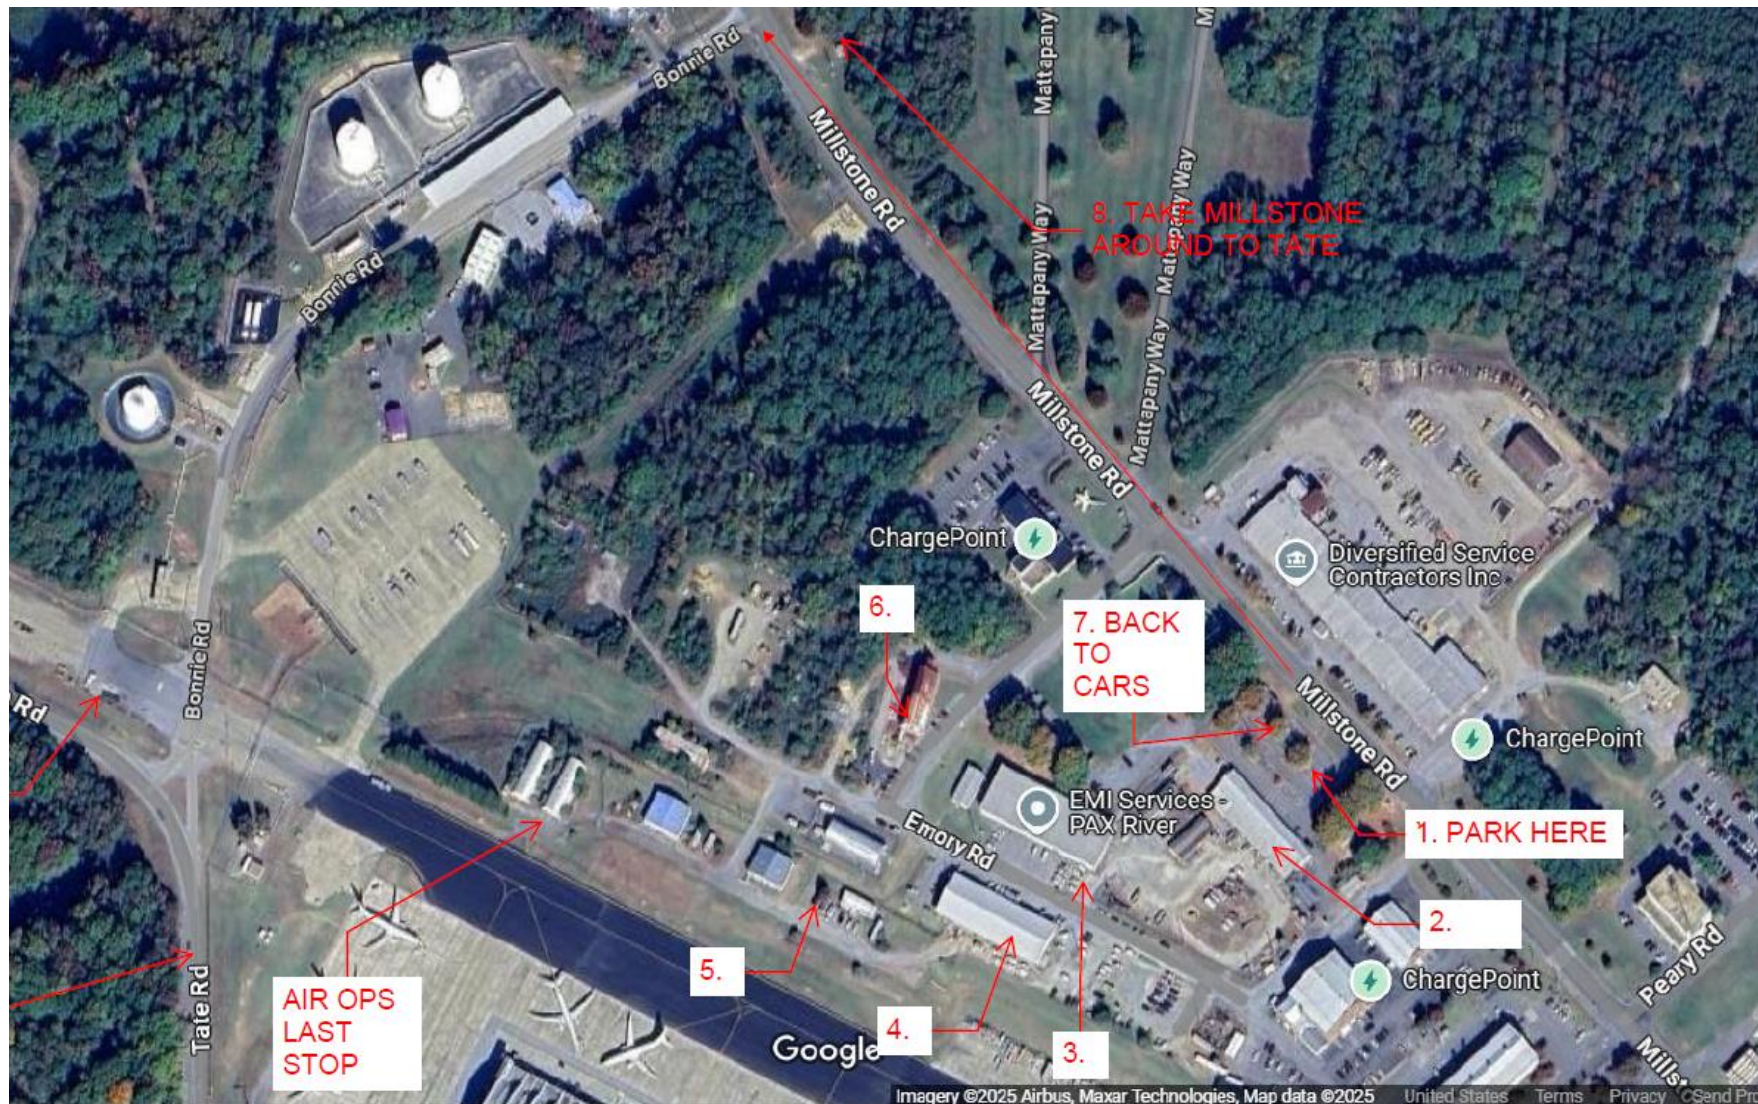

- ☐ **PPE Requirements**
- ☐ **No Pics or Videos**
- ☐ **Stay with the Group Leaders**
- ☐ **Do not ask questions of any Government Personnel**
- ☐ **Do take notes and submit your PPIs following the Pre-Proposal Conference and Site Visit**

PROCUREMENT REMINDERS

- Offerors must be registered in the System for Acquisition Management (SAM). For more information, see the SAM website at [SAM.gov | Home](https://sam.gov)
- Please note that Offerors not currently registered in SAM, must obtain a Unique Identity ID number (UIE) and be actively registered in sam.gov.
- Offerors proposing as Joint Ventures must have an entry in the SAM database for the specific Joint Venture proposed. JVs require a separate UIE number and for the proposed joined entity.
- NOTE: It is highly recommended for new registrants to check with SAM.GOV Help Desk directly to ensure that all requirements for timely registration are met, especially given the updated procedures for registration.
