

Statement of Work

Scope of Work

The NASA Thermal and Fluids Analysis Workshop (TFAWS) is an annual training and professional development event that promotes knowledge sharing, skill building, and networking across NASA and the broader aerospace thermal and fluids engineering community. TFAWS started in 1989 and rotates to Marshall Space Flight Center (MSFC) every 9 years. MSFC is tasked with hosting the 2026 TFAWS and the expected total attendance of up to 400 individuals from government agencies, academia, and private corporations worldwide are expected to attend. The scope of work for this requirement should have the event on the following dates, August 30th – September 4th, 2026.

Contractor Tasks

This acquisition requires the contractor to assure the proper environment for the participants in 2026 TFAWS as they present and debate topics of current interest representative of state-of-the-art analysis methods and technology. To accomplish this, the following is required:

1. The contractor shall provide 7 meeting rooms adequately furnished and environmentally controlled such that it is conducive to professional level participation.
 - a. Capable of seating the following
 - i. 1 room with seating for 300 attendees at round tables
 - ii. 1 room with seating for 12 attendees in a conference configuration
 - iii. 3 rooms with seating for 50 attendees in a theater configuration
 - iv. 1 room with seating for 40 attendees in a classroom configuration
 - v. 1 room with seating for 30 attendees in a classroom configuration
 - b. The meeting room shall be available at the following times: August 30th through September 3rd from 8am – 5pm each day.

Summary of requirement:

- **Multiple meeting rooms set up to the configuration listed above**
- **Available from August 30th through September 3rd from 8am – 5pm each day.**

2. The contractor shall provide media equipment within the meeting room to include, as a minimum microphones for 4 rooms and a projector with the required hook-ups in each room

Summary of requirement:

- **4 Microphones**
- **7 Projector screens**

3. The contractor shall provide an appropriate area to accommodate the registration of all participants and vendor booths. The items needed in this area shall be at least 20 tables. This area should be available continuously from August 30th through September 3rd.

Summary of requirement:

- **Registration area**
- **20 tables**
- **Continuously available from August 30th at 8am through September 3rd at 5pm.**

4. A block of hotel rooms shall be set aside for those that are attending TFAWS. The initial number of rooms to be included in this block is 150 per night for the nights of August 30th, 31st, September 1st, and September 2nd. The block to include 100 for the night of September 3rd. A room rate equal or less than the government per diem rate established for August/September 2026 is required for this block of rooms. Responsibility for payment for these rooms will be with the individual attendees.

Summary of requirement:

- **150-150 hotel rooms per night set aside as a block for those attending TFAWS**

5. Parking for all attendees, those staying at the hotel as well as those that are local and will be attending for the day. **Summary of requirement:**

- **Parking for all attendees**
- **Complimentary parking for day attendees**

Period of Performance

August 30th- September 4th
