PROJECT DESCRIPTION (*see also draft SOW*):

The Office of Child Care (OCC) requires the provisioning and coordination of technical assistance (TA) for Child Care and Development Fund (CCDF) state and territory grantees, leading to the successful implementation and continued administration of the requirements of the Child Care and Development Block Grant (CCDBG). The purpose is to provide the needed technical assistance for CCDF state and territory grantees. Contractor support is required to provide both the content expertise to develop and deliver technical assistance as well as the technical expertise to track those efforts and manage OCC and CCDF's web presence, including the statutorily required childcare.gov. It will also require State and Territory Systems Specialists, who are assigned to a cohort of states to provide individualized TA support on CCDF requirements to meet their specific needs.

Key tasks include:

1. **CCDF Subject Matter Expertise and Content Technical Assistance** - subject matter experts available to deliver TA related to requirements of the CCDF program including Strengthening Child Care Business Practices, Emergency Preparedness and Disaster Response and Recovery (EPDRR), Consumer Education and ChildCare.gov Content Management, Infant/Toddler and School-Age Child Care, Health, Safety and Licensing, and Supports for the Child Care Workforce.
2. **Coordination and Data** - coordination work done by the State and Territory Systems Specialists as well as the TA assessment and evaluation work OCC uses to ensure TA meets the needs of lead agencies and results in desired outcomes. The data support within this task also includes support for the triennial state/territory CCDF Plan.
3. **Websites and Information Technology (IT) Systems** - support for OCC websites and systems, including the TA Tracker, TA resources website, and ChildCare.gov site.

CAPABILITIES SOUGHT:

Small business organizations shall provide a capability statement (cap. statement) that demonstrate their capability to perform the requirements as described in the draft SOW to include current and past experience, and analytic capacity. Please include the following information:

- a. Expertise and capability to staff, recruit, and retain
- b. Current in-house capability and capacity to perform the work
- c. Corporate experience: Briefly describe up to 3 relevant projects similar in scope and size to the requirements. Include the following information for each example:
 - Customer Name
 - Customer/Client POC Email
 - Total Contract Value
 - Period of Performance
 - Brief Description of Services Provided
 - Indicate if there is a CPARS (Contractor Performance Assessment Reporting System) available

In addition to the capability statement described above, the respondent should also complete the table below with their submission.
