The purpose of this amendment is to provide the following:

1. RFI Responses

All other items remain unchanged.

1. RFI RESPONSES

RFI 22: Please Confirm that Design Team Project References (PPQ-O) Forms can be completed by the PRIME Contractor? And that a project completed as a Tier 1 Subcontractor, the PPQ will be accepted by the PRIME Contractor?

GOVERNMENT RESPONSE: If a completed CCASS, ACASS, or CPARS evaluation is not available for a project that was submitted under Factor 2, the Offeror shall submit a Past Performance Questionnaire for that project. Evidence of customer satisfaction shall be from the owner and/or their representative responsible for the construction contract administration of construction project or design administration of design projects. For construction contractors, it shall not be from the designer on a design-build project. For design firms, it shall not be from the construction contractor on a design-build project nor shall it be from prime consultant to the subconsultant or from a subconsultant to a prime.

RFI 23: Respectfully request a time extension to provide time for DOR Past Performance Questionnaires to be completed due to difficulties finding CO's available to complete PPQs due to time past or out of office for the Holidays?

GOVERNMENT RESPONSE: Phase I proposal due date remains 22 November 2024.

RFI 24: Our DOR performed on projects where we have an official CPARS. How do we get a PPQ completed by the Agency for the DOR when the offeror is the Prime Contractor? The Agency is not willing to complete a PPQ for a Project they Evaluated CPARS on file? Can the Prime completed the PPQ-0 form for the Designer for the Projects submitted under the DOR Project Past Performance and Experience?

GOVERNMENT RESPONSE: See RFI 22 response.
