

SAVE THE DATE

CYBER DEFENSE INDUSTRY DAY

The Department of State's Directorate of Cyber and Technology Security invites vendors to join us for an informational session on April 22, 2026, at 10am to learn about our cybersecurity program. Additional sessions will be offered in May for vendors to meet with program teams and pitch services* or tools.

This session will be hosted virtually and there is no charge to attend. Registration required by April 21. Questions? Contact DS_CTS_Coordination@State.gov

*Labor services are not being considered.
