

PROJECT DESCRIPTION

This scope of work is to be accomplished at Building 66 located on Holcomb BLVD. aboard, Camp Lejeune, North Carolina. The work includes installation of new ADA accessible ramp for the tenant and H.C. Door operator. To accomplish this the contractor will be required to build as indicated on drawings.

SPECIAL SCHEDULING

The facility/activity will remain in operation during the entire construction period. The Contractor shall conduct his operations so as to cause the least possible interference with normal operations of the facility/activity.

SUPERVISION

One person may fill the roles of Superintendent, Quality Control Manager, and Safety & Health Officer, if duly qualified for all three positions as defined in the project specification.
