

Amendment 0001: Market Survey Suspended

This amendment suspends the market survey for Military Repair Army Reserves Restoration of AMSA at JBMDL, NJ effective immediately.

The requirement is currently under review for potential consolidation with other projects.

Please do not submit any further responses at this time. All information received to date will be retained.

A future amendment will provide an update, which may include a revised scope and new deadline, or a cancellation of this notice.

Thank you for your interest.
