

1. Purpose:

The Federal Aviation Administration (FAA) Airport Technology Research & Development (ATR) Pavement Research Program (ANG-E262) operates two full-scale pavement testing facilities and multiple supporting laboratories and field sites. ANG-E262 is conducting a Market Survey to identify capable and qualified sources that can provide all necessary personnel, technical expertise, operations, and other resources required to fulfill the tasks outlined in the attached draft Statement of Objectives (SOO).

2. Nature of Competition:

The acquisition strategy for the procurement has not been determined at this time.

3. General Information:

- This is not a Screening Information Request or Request for Proposal of any kind;
- The FAA is not seeking or accepting unsolicited proposals;
- The FAA will not pay for any information received or costs incurred in preparing the response to the market survey; and
- Any costs associated with the market survey submittal is solely at the interested vendor's expense

4. Submittal Requirements for Market Survey:

Interested vendors must submit a **Capabilities Statement** demonstrating their ability to perform the work outlined in the draft SOO. Responses must address, at minimum:

- a. **Company Information** – Name, address, UEI, business size/classification and Point of Contact information
- b. **Relevant Technical Experience**
- c. **Past Performance** – Contracts supporting work similar to the draft SOO in the last 3 years. Please include contract numbers (if applicable) and points of contact.

5. Submission Instructions:

The submitted Capability Statement is LIMITED TO 3 PAGES (excluding cover page) and must be presented in PDF. All submissions in response to this market survey must be received by 5:00 pm EST April 20, 2026. Send response via email to Christine.M.Melton@faa.gov. Subject line of the email: "Market Survey Response – Enhancement of FAALCAn".

Respondents are not to contact the Technical/Requiring/Program Office at any time regarding this Market Survey and requirement. Any confidential or proprietary information submitted in response to this announcement must be marked accordingly by the vendor. Such information will not be disclosed outside of the acquisition team.
