Change History	2
Summary	2
1. Incidental List	3

Summary

This document includes a list of Incidental Property. This list is for reference only. It may not include all the items that are currently at each site. This list is for reference only and the Contractor will have to inventory, identify, and manage the actual listing for each site beginning at Transition-In in the Government approved Contractor Property management System (CPMS).

Incidental Property Listing (East)

1. Incidental List

This is a placeholder. Currently all Incidental Property is accounted for on the Government Furnished Property Listing, Attachment 0011.
