Limitations on subcontracting and nonmanufacturer rule do not apply to small business set-asides for contracts at or below the Simplified Acquisition Threshold (SAT). It does apply to 8(a), HUBZone, VOSB/SDVOSB, and WOSB/EDWOSB, set-asides regardless of the dollar value of the award if awarding on a sole source basis only.

The penalty for non-compliance is the greater of \$500K or the dollar amount spent, in excess of permitted levels, by the entity on subcontractors, in accordance with 13 CFR 125.6(h).
