Attachment
SDVOSB, VOSB or JV Status

The NAICS Code for this procurement is 531120 Lessors of Nonresidential Buildings, and the small business size standard is \$41.5 million. Responses to this notice will assist VA's Office of Real Property (ORP) in determining if the acquisition should be set-aside for competition and restricted to SDVOSB or VOSB concerns in accordance with 38 USC Sec. 8127.

The magnitude of the anticipated total construction/buildout for this project is between \$10,000,000 and \$20,000,000.

VA makes monthly rental payments in arrears upon facility acceptance and may elect to make a single lump-sum payment or amortize over the course of the firm term for specified tenant improvements. VA makes no progress payments during the design or construction/build-out phases of the project.

This is not a request for proposals, only a request for information for planning purposes, and does not constitute a solicitation. A solicitation may or may not be issued.

Project Requirements: ORP seeks information from potential offerors who are capable of successfully performing a lease contract, including design and construction of the facility described above, for a term of up to 20 years, inclusive of all options, as well as all maintenance and operation requirements for the duration of the lease term, at a fair and reasonable price. More information on VA's requirements can be found on the solicitations and expression of interest/sources advertisements, that are made public information via "Contract Opportunities" on www.SAM.gov.

SDVOSB and VOSB firms are invited to provide information to contribute to the market research for this project. SDVOSB and VOSB firms must be registered in through SBA's Veteran Small Business Certification (VetCert) at <https://veterans.certify.sba.gov>. All business concerns must have the technical skills and financial capabilities necessary to perform the stated requirements. All business concerns are requested to submit a Capabilities Statement if they are interested in participating in this project. A submission checklist and information sheet are provided below for firms to complete and submit, which will serve as the firm's Capabilities Statement.

Capabilities Statement Will Include:

1. Company name, address, point of contact, phone number, Experian Business Identification Number, and e-mail address;
2. Evidence of SDVOSB or VOSB status through registration at SBA's Veteran Small Business Certification (sba.gov) database;
3. Evidence of ability to offer as a small business under NAICS Code [531120] and listing in the System for Award Management (SAM.gov), including a copy of the representations and certifications made in that system;
4. A summary describing at least three (3) projects of similar size and scope completed in the past five (5) years that demonstrate your company's experience designing, constructing, and managing Federal leased facilities or health care facilities relevant to the project described above (3-page limit), and
5. Evidence of capability to obtain financing for a project of this size. If desired, the company may also submit a narrative describing its capability.

Although this notice focuses on SDVOSB and VOSB, we encourage all small businesses and other interested parties to respond for market research purposes.
