PAST PERFORMANCE QUESTIONNAIRE

The purpose of this questionnaire is to gather information on the contractor who provided it to you to determine their suitability to execute a National Security Officer Services contract for the Federal Aviation Administration (FAA). Your prompt completion of this questionnaire is sincerely appreciated as it is critical to the completion of the proposal evaluation process.

1. Please complete this questionnaire based on the following guidance:
  - a. Handwritten responses are acceptable.
  - b. Indicate, using the ratings below, the contractor's performance on the identified program. Assessments should reflect only performance for which contractor is/was responsible. The following is a definition of the rating levels:

| <u>Rating</u>                                                                                                                                                                     | <u>Performance Level</u>                                                                                                                                                                                                                                                                                                                                    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 4                                                                                                                                                                                 | <b><u>EXCEPTIONAL</u></b> : Performance meets contractual requirements and exceeds many to the Government's benefit. The contractual performance of the element or sub-element being assessed was accomplished with few minor problems for which corrective actions taken by the contractor were highly effective.                                          |
| 2                                                                                                                                                                                 | <b><u>VERY GOOD</u></b> : Performance meets contractual requirements and exceeds some to the Government's benefit. The contractual performance of the element or sub-element being assessed was accomplished with some minor problems for which corrective actions taken by the contractor were effective.                                                  |
| 3                                                                                                                                                                                 | <b><u>SATISFACTORY</u></b> : Performance meets contractual requirements. The contractual performance of the element or sub-element contains some minor problems for which corrective actions taken by the contractor appear or were satisfactory.                                                                                                           |
| 1                                                                                                                                                                                 | <b><u>MARGINAL</u></b> : Performance does not meet some contractual requirements. The contractual performance of the element or sub-element being assessed reflects a serious problem for which the contractor has not yet identified corrective actions. The contractor's proposed actions appear only marginally effective or were not fully implemented. |
| 0                                                                                                                                                                                 | <b><u>UNSATISFACTORY</u></b> : Performance does not meet most contractual requirements and recovery is not likely in a timely manner. The contractual performance of the element or sub-element contains a serious problem(s) for which the contractor's corrective actions appear or were ineffective.                                                     |
| c. Please circle (or <u>underline</u> for e-mailed responses) a "Number" or "Yes" / "No" corresponding to your rating or "N/A" if you are unable to provide a rating for an area. |                                                                                                                                                                                                                                                                                                                                                             |
