Summary

As per Document Summary List (DSL) guidelines provided in AR 700-70 and DA PAM 70-3, this DSL contains the data requirements and the specific tailoring of data requirements associated with the military standards and Data Item Descriptions (DID) called out in this Contract and Performance Work Statement (PWS). This list provides a consolidated reference point for all the military standards and DID contained in the Request for Proposal (RFP), Contract, and PWS. Any tailoring of these requirements shall be listed below the item as it appears in this list or provided as an example in Contract Attachment 0006 Additional Contract Data Requirements List (CDRL) Information.
