Summary

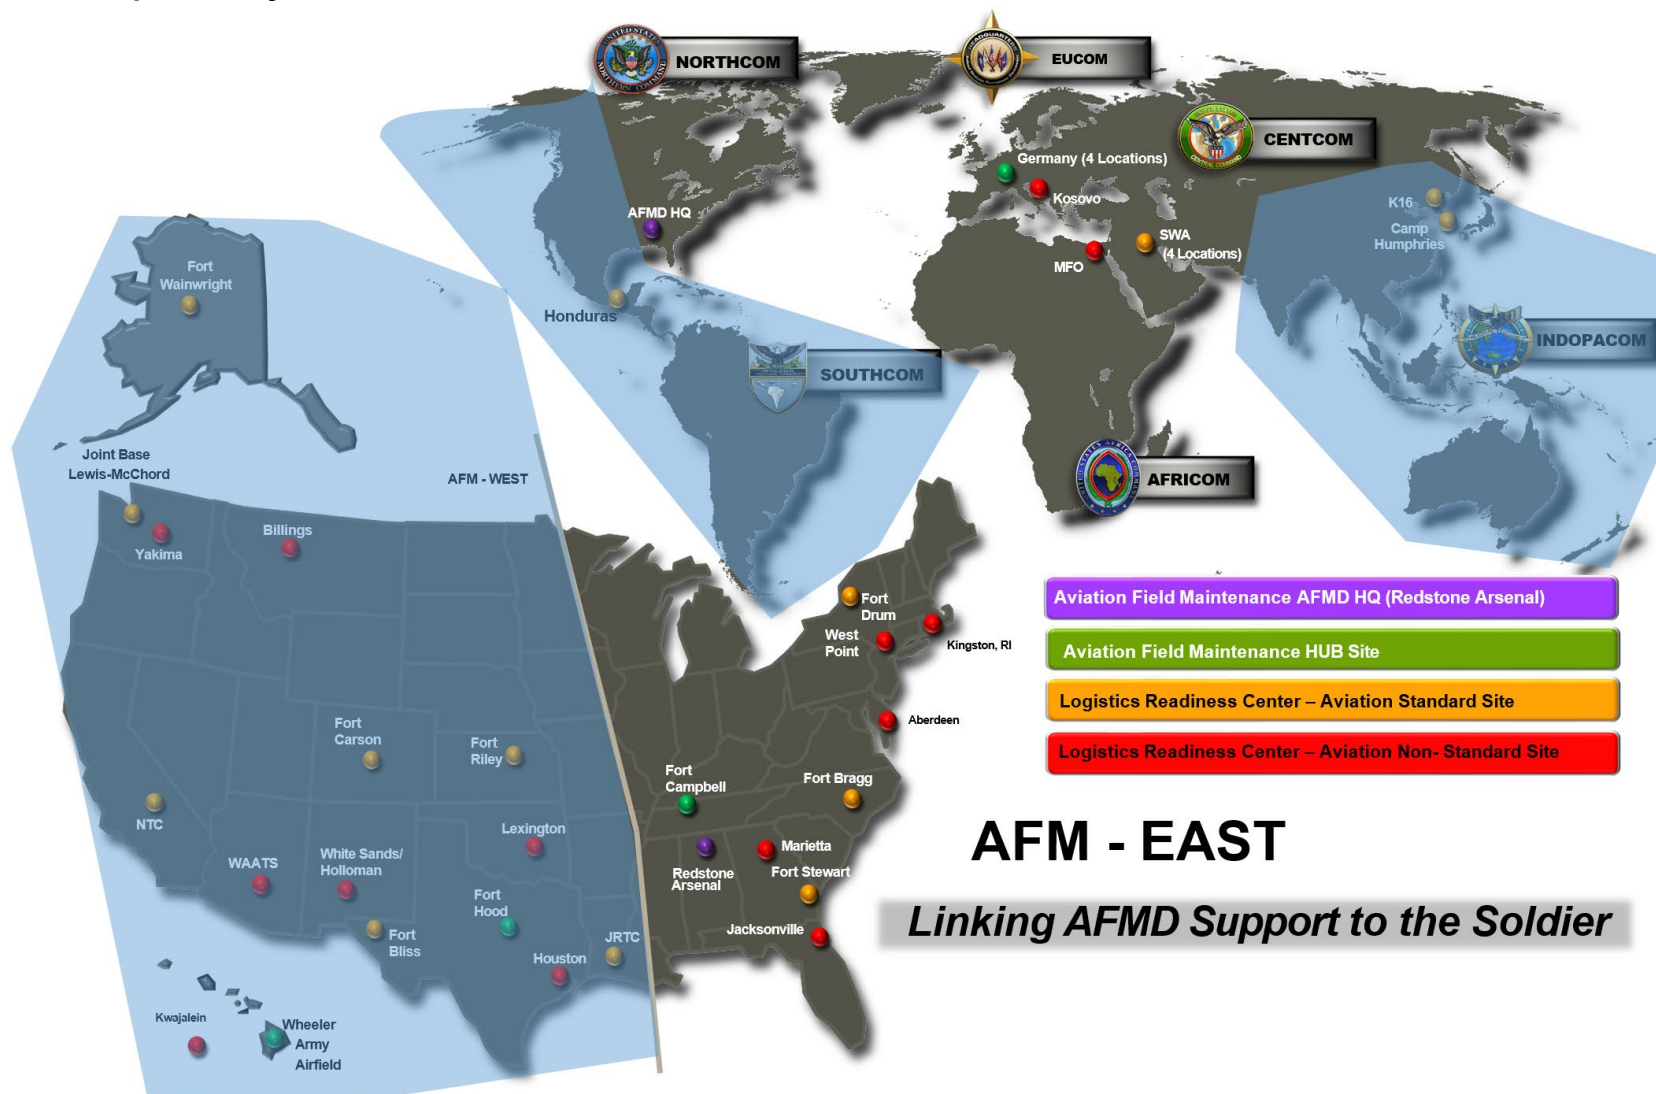

This Area of Responsibility (AOR) document supports the Contract and Attachment 0001 Performance Work Statement (PWS) to define the geographical details for Aviation & Missile Command (AMCOM) Field Maintenance (AFM) activities. These geographical divisions will also be aligned with contractual agreements establishing the scope of responsibility. The AOR for this contract will be commonly referred to as AFM-East.

1. AFM-East Area of Responsibility (AOR)

- 1.1. Includes the following geographic area: Connecticut, Delaware, District of Columbia, Florida, Georgia, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Pennsylvania, Puerto Rico, Rhode Island, South Carolina, Vermont, Virgin Islands, Virginia, West Virginia, Alabama, Indiana, Illinois, Kentucky, Michigan, Mississippi, Tennessee, Ohio, and Wisconsin.
- 1.2. AOR also encompasses countries within US Northern Command (USNORTHCOM), US European Command (EUCOM), US Africa Command (AFRICOM), and the US Central Command (USCENTCOM).
- 1.3. Additional maintenance support, to include temporary duty based from these locations, may encompass additional CONUS/OCNUS sites as designated by the U.S. Army Aviation Missile Command - Life Cycle Management Command (AMCOM-LCMC).
- 1.4. Critical missions within PWS scope and Contractor capabilities may occasionally require support outside the East AOR. These occurrences shall be on a case-by-case basis with Procurement Contracting Officer (PCO) coordination and written notification, as directed by the Contracting Officer Representative (COR).
- 1.5. AFM-East Maintenance **HUB** locations with both Government regional and site staff include:
 - 1.5.1. Ft Campbell, KY
