

Attachment L.1
Past Experience Questionnaire

The purpose of this form is to obtain information on the past experience and performance of the Offeror and the Offeror's subcontractor(s) that is similar in scope and complexity to that which will be provided under this solicitation. This information, coupled with the questionnaire to be completed by the customer who received the service and is identified below, will support the FAA's evaluation of the Offeror's proposal.

Each customer cited in a Past Experience Questionnaire must be provided with a Past Performance Questionnaire, Attachment L.2 to this solicitation, to complete and return to the FAA office listed in Section L.5 of this solicitation. The Offeror is to provide the information requested in this form for each past or present contract/program relevant to the requirements as set forth in Section C, Statement of Work, of this solicitation. Provide a separate completed form for each contract/program. The length of any one Past Experience Questionnaire shall not exceed three (3) pages. Offerors may submit a maximum of three (3) completed Past Experience Questionnaires.
