

STATEMENT OF WORK

1. Objective/Requirements

This requirement is for the acquisition of the Schneider Hardware for NASA Glenn Research Center (GRC). The information listed below is required to complete this purchase.

2. Characteristics, Scope, and Specs

Hardware purchased must be identical to the make and model of equipment currently in use (listed below), is new (never used) in the original packaging and not refurbished. Schneider Electric only sells PLC automation hardware through authorized distributors who can guarantee the source, condition, safety, security and warranty of the PLC automation hardware. The vendor shall be Authorized/Certified through the Schneider Electric Alliance Industrial Automation Distributor (IAD) program. Verification in SE's IAD and verification as an authorized distributor can be confirmed at <https://www.se.com/us/en/partners/distributors/industrial-automation/>.
