Name of Proposed Contractor(s): **Advantor Systems**
Street Address: **12612 Challenger Pkwy #300**
City, State, Zip: **Orlando, FL 32826**
Phone: **(407) 859-3350**

3. Description of Services or Supplies:

A protection of assets initiative includes a requirement for an Advantor Intrusion Detection system. Advantor is to provide and install CAC access systems for security of buildings and military assets. The specified access systems for security of building and military assets is unique because in order maintain workable and compatibility with existing systems requiring all parts and pieces to work together as a single unit. Mixing other parts and pieces of different manufactures is not an approved Air Force system

4. Authority: Actions other than simplified acquisition procedures (select one):

- ☒ FAR 6.302-1: Only one responsible source and no other supplies or services will satisfy agency requirements, 10 USC 2304(c)(1)
☐ FAR 6.302-2: Unusual and compelling urgency, 10 USC 2304(c)(2)
☐ FAR 6.302-5: Authorized or Required by Statute, 10 USC 2304(c)(5)
☐ Other: <insert appropriate authority here

5. Reasons for Authority Cited:

The use of 10 U.S.C. 2304(c)(1) and FAR 6.302-1 - Only One Responsible Source and No Other Supplies or Services Will Satisfy Agency Requirements is being applied because existing access, intrusion and security camera systems for security of building and military assets operate one manufacturer known source offers a specialized product that is not otherwise available to the Government.

Procurement by other than full and open competition is necessary because Advantor is the only source available to provide service to the Advantor-Brand USAF- approved and PL3 Certified IDS.

7. Market Research

Advantor products and services are available through GSA Federal Supply Schedule GS-07F-8785D. There are no independent dealers or distributors of Advantor products, nor any independent authorized installers of the Access Control System being requested; Advantor is the sole source for compatible equipment and the necessary manufacturer-certified technical expertise to install the system. Advantor can provide US Citizens to install and integrate the components as required for this effort. Since it is mission essential that this upgrade be compatible with the existing system infrastructure, and only Advantor components have the necessary protocols to integrate with the existing Advantor equipment, it has been determined that Advantor Systems Corporation is the only responsible source for compatible products and services that will integrate with the existing infrastructure, warranties and maintenance agreements.
