

VISITOR INFORMATION

U.S. ARMY NATICK SOLDIER SYSTEMS CENTER

All visitors must have a government-issued picture identification card, passport or government ID to give to the Security Personnel upon entrance to the installation. At this time, driver's licenses from Minnesota, Missouri, Washington and American Samoa **WILL NOT BE** accepted as the only form of valid ID. If your license is from Minnesota, Missouri, Washington or American Samoa, plan on bringing an alternate form of ID such as a passport or military ID.

Security Personnel will direct you to the Inspection Area where your vehicle will be inspected. No photography or video is allowed. The vehicle should not contain any type of weapon or other illegal items, and must have a current registration, inspection and insurance. Upon completion of inspection, the Security Personnel will retain your identification, issue you a visitor badge (unless you have a DoD Common Access Control [CAC] card), and send you on to your destination or your escort will meet you. Escorted visitors must remain with their escort at all times. Plan to arrive approximately 20 minutes prior to your scheduled appointment.

Foreign Visitors

Foreign visitors officially visiting the U.S. Army Natick Soldier Systems Center representing their country's government or military need to submit a request through their home embassy for coordination for approval by the U.S. State Department and Department of Defense. Non-official civilian visitors (students, professors, scientists, business people, and media representatives) from another country visiting the installation will furnish their identification information to their Natick Soldier Research, Development and Engineering Center point of contact for local approval. Foreign visitors with U.S. Resident Alien cards will submit those and their passport or U.S. driver's license to their NSRDEC point of contact prior to their visit. Requests should be processed at least 30 days prior to arrival at the installation.

Directions

If using a GPS device or navigation system, enter 15 General Greene Avenue (formerly Kansas Street) Natick, MA 01760 as your destination address. This will lead you to the front gate of the installation.

Airports

Logan International Airport, Boston MA (approximately 26 miles (42 km), 34-45 minutes)

- Logan is the closest international airport in the Natick Area
