Sources Sought Tracking Number: **HQ0516-FY-26-0007**

Department of War Information Activity (DWIA)

American Forces Network (AFN)

6700 Taylor Avenue

Ft. Meade, MD 20755

The Department of War Information Activity (DWIA) is conducting market research to identify potential sources capable of providing a commercial, subscription-based, daily radio DJ show prep service. This service is for American Forces Network (AFN) broadcasters who provide radio programming to U.S. service members, civilians, and their families stationed or assigned overseas.

The purpose of this Sources Sought notice is to gain a better understanding of the marketplace and to identify qualified, interested businesses (including small businesses) capable of fulfilling the requirements outlined in the attached Scope of Work (SOW). The information received will be used for planning and budgeting purposes and to assist in developing the acquisition strategy. No contract will be awarded from this notice.

1.0 Background

The Department of War Information Activity (DWIA) manages the American Forces Network (AFN), which provides radio and television programming to U.S. service members, civilians, and their families stationed or assigned around the world. AFN radio requires a consistent source of high-quality, relevant, and engaging content to support its military and civilian broadcasters in producing professional on-air programming for a diverse, global audience. This Scope of Work defines the requirement for a commercial, subscription-based service to provide these materials.

2.0 Objective

The primary objective is to procure a comprehensive, daily radio show prep service that provides timely and topical content for AFN broadcasters. This service will equip AFN on-air talent with the necessary resources to produce high-quality, entertaining, and informative programming across multiple music formats, tailored to the unique interests of the U.S. military community.

3.0 Scope

The contractor shall provide a secure, web-based, service that delivers a complete package of daily show prep materials accessible to authorized AFN personnel worldwide. The service must be a "turn-key" solution, providing all necessary content and platform resources to fulfill this requirement.

4.0 Specific Tasks

The contractor shall perform the following tasks:

4.1 Daily Content Provision:

- The contractor shall research, write, and produce a daily package of show prep materials and deliver it to the platform no less than once every 24 hours.
- All content must be written and produced in a style suitable for immediate on-air use by radio broadcasters.

4.2 Content Categories:

The daily content package must include a wide variety of materials suitable for multiple radio formats (e.g., CHR, Hot AC, Rock, Country). Required content categories include, but are not limited to:

- **Topical News & Discussion Starters:** Summaries of current events, trending topics, and thought-provoking questions designed to spark on-air conversations.
- **Entertainment & Pop Culture:** News and gossip related to celebrities, movies, music, and television.
- **Lifestyle & Offbeat Content:** "Weird news" stories, lifestyle trends, consumer information, and holiday-specific content.
- **Music & Artist Information:** Trivia, facts, and news about artists and songs, including information on new music releases.
- **Interactive Content:** Ideas and outlines for on-air games, listener contests, and phone topics.
- **Access to Pre-Produced Audio:** A library of broadcast-quality audio elements, including comedy bits, sound effects, song parodies, and drops.

4.3 Platform and Accessibility:

- The contractor shall provide and maintain a secure, password-protected, web-based platform for content access and delivery.
- The platform must be accessible to authorized AFN personnel globally on a 24/7 basis.
- The platform shall include a searchable archive of all previously published content.

4.4 Digital Media Content:

- The contractor shall provide content that is easily adaptable for use on digital platforms, such as station websites, blogs, and social media channels (e.g., Facebook, X, Instagram), to enhance AFN's online engagement.

4.5 Customer and Technical Support:

- The contractor shall provide responsive customer and technical support to AFN personnel via email and/or phone during standard business hours to resolve any issues related to service access or content.

5.0 Deliverables

The contractor shall provide the following:

Deliverable	Format	Frequency	Due Date
Daily Show Prep Materials	Electronic via Web Platform	Daily	Updated every 24 hours
Secure Platform Access	Web-based URL & Credentials	Continuous	At contract start
Online Content Archive	Searchable Web Database	Continuous	Available 24/7
Customer/Technical Support	Email / Phone	As needed	During Contractor business hours

6.0 Period of Performance

The period of performance shall be for one (1) Base Year of 12 months, with four (4) one-year Option Periods, which may be exercised at the discretion of the Government.

Additional Considerations

- The contractor must comply with all applicable FAR and Department of War clauses and provisions incorporated into the resulting contract.
