DESCRIPTION

DISCLAIMER: THIS IS A SOURCES SOUGHT NOTICE ONLY. THIS SYNOPSIS IS NOT A REQUEST FOR QUOTE, PROPOSAL, OR BID. This notice is not a solicitation as defined by FAR 2.101, therefore it shall not be construed as a commitment by the government to enter into a contract, nor does it restrict the government to an acquisition approach. All information contained in this Request for Information (RFI) is preliminary as well as subject to amendment and is in no way binding on the government. Information submitted in response to this notice is voluntary; the government will not pay for information requested nor will it compensate any respondent for any cost incurred in developing information provided to the government. The government is requesting that restrictive or proprietary markings not be used in response to this notice. If a solicitation is released, it will be synopsized in the Federal Contract Opportunities website or General Services Administration (GSA). It is the responsibility of the interested parties to monitor these sites for additional information pertaining to this RFI.

1. Title: Medtronic G3 Generator / Symplicity Spyral Catheters

2. Purpose: *The purpose of this RFI is to identify potential sources which will aid in defining the procurement strategy for example, set-aside, sole source, or unrestricted for a solicitation the VA intends on issuing shortly as follows:*

The Michael E. DeBakey VA Medical Center (MEDVAMC) located in Houston; Texas has a brand name requirement for Medtronic G3 Generator / Symplicity Spyral Catheters one time purchase.

The anticipated Small Business Administration (SBA) size standard for the North American Industry Classification System (NAICS) code is 339112, PSC 6515.

The anticipated type of contract shall be a Single Award, Firm Fixed Price. The Government wishes to enter into a contract with a 90 days ARO for the following:
