Sources Sought Notice

Sources Sought Notice

DESCRIPTION

THIS IS A SOURCES SOUGHT NOTICE ONLY. The purpose of this Sources Sought Notice is to obtain information regarding the availability and capability of all qualified sources to perform a potential requirement, and to gain knowledge of potential qualified Service-Disabled Veteran Owned Small Business (SDVOSB), Veteran Owned Small Business (VOSB), Small Business Manufacturers, other Small Businesses interested and capable of providing items requested, as well as any large business interested and capable. This REQUEST FOR INFORMATION/SOURCES SOUGHT NOTICE in support of the Vancouver VA Medical Center, is for market research purposes and planning purposes only and is not to be construed as a commitment by the Government. The Government will not pay for information solicited. Respondents will not be notified of the results of the evaluation. Results will be used to determine set-aside.

The intended contract is a firm-fixed price supply purchase.

Potential contractors shall provide, at a minimum, the following information:

- 1) Company name, address, and point of contact, phone number, e-mail address, and **SAM.gov UEI number/code**.
- 2) Anticipated North American Industry Classification System (NAICS) code is 333413. The largest a firm can be and still qualify as a small business for Federal Government programs is no more than 500 employees. Please indicate whether you are a Small Business, SDVOSB, VOSB, Small Business Manufacturer, Other Small Business, or Large Business, and whether you are the manufacturer of the items listed below.
- 3) The Government is not obligated to nor will it pay for or reimburse any costs associated with responding to this sources sought notice. This notice shall not be construed as a commitment by the Government to issue a solicitation or ultimately award a contract, nor does it restrict the Government to a particular acquisition approach. The Government will in no way be bound to this information if any solicitation is issued. Notice to Potential Offerors: All Offerors who provide goods or services to the United States Federal Government must be registered in the System Award Management (SAM located on the web at www.sam.gov). It is desirable that any Offeror to have completed their business Online Representations and Certifications Application in the System for Award Management (SAM).
- 4) Any Service-Disabled Veteran Owned Businesses or Veteran Owned Businesses who respond to a solicitation on this project must be registered with the Small Business Administration Dynamic Small Business Search located at <https://beta-search.certify.sba.gov>.
- 5) If not a manufacturer, only authorized representatives/providers/distributors of the manufacturer will be considered. Equipment must be new, no used or refurbished equipment accepted. **Please provide proof of authorized dealer or reseller letter from manufacturer.**
- 6) If you are the manufacturer, do you have any designated or authorized distributors? If so, please provide their name, telephone, point of contact and size status (if available).
- 7) This is a “brand name or equal” requirement. As such, the essential physical characteristics reflect the physical, functional, or performance characteristics that “equal” products must meet to satisfy the Government’s needs. To be considered for any potential solicitation, offers of “equal” products, including “equal” products of the brand name manufacturer, must:
 - (a) Meet the essential physical, functional, or performance characteristic of the item and those specified in this sources sought; clearly identify the item by Brand name, if any and make/model number.

Sources Sought Notice

Sources Sought Notice

(b) Include descriptive literature such as illustrations, drawings, or a clear reference to descriptive data or information available that identifies that the “equal” item meets or exceeds the salient characteristics required by the Government.

(c) Identify the manufacturer name (OEM) and manufacturer part number, as well as any warranty information.

(d) Please provide a courtesy quote in response to this request to evaluate price reasonableness for any set-aside determination, and any applicable contract vehicle information.

8) Please identify the country of origin for all items.

It is the intent of the VA to use the information gathered for market research purposes only. If a formal solicitation is released, it will be posted via the Contracting Opportunities website located at SAM.gov or GSA eBuy.

Delivery address:

Puget Sound VA Medical Center
1660 S. Columbian Way
Seattle, WA 98108

Items:

Brand Name or Equal:

QTY	Description	Unit Price	Ext. Price
1	Blue Ocean Robotics UVD robot model C		
1	1 year warranty		
1	Installation and integration		

Essential Physical Characteristics:

General Requirements

- Certifications: TUV Certified
- Speed: maximum speed 2.7 km/h, 0.75 m/s
- Dimensions:
 - Length: 75 cm/ 29.5 in
 - Width: 55 cm/ 21.6 in
 - Height: 178 cm/ 70 in
 - Weight: 120 kg/ 264 lbs

Communications

- Mobile communication: 4G (LTE), 3G, and 2G
- WiFi: 802.11 a/b/g/n/ac/ax 2.4G+5GGz+[6Hz*]

Sources Sought Notice

- Bluetooth: v5.2, 4.0 LE*
- Charger: 2.4 Ghz

Power

- Battery type: Li-NMC, 24 V, 40 Ah,
- Charging time: 5 hours (full charge 0-100% with docking station), 8 hours (full charge 0-100% with emergency charger)
- Driving operation time: >10 hours
- Maximum disinfection time: 2 hours
- Room disinfection time: 269 sq ft in 10 mins
- Room per charge: 8-10 rooms (each 269 sq ft)
- Battery cycle times: minimum 1,000 full charging cycles
- Docking station input: 100 – 240 V AC, 50 – 60 Hz / output 24 V DC, max 40 A
- Emergency charger input: 100 – 240 V AC, 50-60 Hz / output 24 V DC, max 40 A

Environment

- Ambient temperature range: 5° C to 40° C (41° F to 105° F), humidity 10-95% (non-condensing)
- IP class: IP 20

Sensors

- SICK microScan3 safety system
- 3D camera, 3 units
- Passive infrared sensor (PIR), 4 units

Lamps

- Type: TUV Amalgam XPT systems
- Number of lamps: 8
- Power (rated) (nom): 180 W
- Lamp current (nom): 2.1 A
- Ignition supply voltage (min): 90V
- UV-C wavelength: 254 nm
- Normal depreciation over lifetime: 13%
- Lamp lifetime: 12,000 h

If your business is interested and capable, **please send the capability statement outlined above, and a courtesy market research quote to amber.whisenhunt1@va.gov by 5:00pm EST on May 1, 2026. NO PHONE CALLS, PLEASE.**
