1. REQUISITION NUMBER:	ITC-OOEC-26-0009	ESTIMATED TOTAL VALUE:	
2. Description of supplies or Services Required to Meet Agency:			
Advisory services from Yoto Yotov on development and application of the Gravity model.			
3. Justification for Limited Competition:			
Professor Yotov is a world-renowned expert in the development, usage, and application of the Gravity Model of international trade. He has numerous publications on the model and his work has been the basis for its advancement. Professor Yotov also held a training course for USITC in advanced gravity modeling techniques in January 2026. Furthermore, he is currently working on projects with the Commission and is familiar with our capabilities, needs, and research.			
4. Description of Market Research Conducted and Results:			
The Commission conducted market research for this project. Some of the viable options to complete the project could include experienced economic researchers from universities and economic consulting firms, however staff could not identify individuals with the level of expertise that Professor Yotov has, who also are familiar with the topics that will be worked on.			
5. Requiring Officer's Certification:			
I certify that the facts and representations in this justification, included herein, meet the Government's need and that the supporting data which forms the basis for this justification is complete and accurate.
