

SOURCES SOUGHT: THIS IS NOT A NOTICE OF REQUEST FOR PROPOSAL OR QUOTATION BUT INFORMATION AND PLANNING PURPOSES ONLY! This notice does not constitute a commitment by the Government. All information submitted in response to this announcement is voluntary, and the Government will not pay for information requested nor will it compensate any respondent for any cost incurred in developing information provided to the Government.

The Sources Sought notice number is FA252126QB035 shall be used to reference any written responses to this source sought.

Patrick Air Force Base anticipates a requirement that is being considered under a small business set-aside program. The North American Industry Classification Systems (NAICS) Code proposed 488190. The size standard for this proposed NAICS is \$40 Mil.

GSA SIN/MAS 488190

Description: Functional Flight Check Program (FCF)

Salient Characteristics: The contractor flight crew personnel shall provide aircrew services to perform HH-60W Functional Check Flights (FCFs), maintenance flight tests, communication and mission equipment trouble shooting, Operational Check Flights (OCFs), and Acceptance Test Profiles (ATPs) to determine airworthiness and maintenance status of the aircraft. They will also perform aircraft engine rinses, recoveries, pick up or deliveries to and from CONUS locations to home base, and under special circumstances from multiple locations worldwide for the PR Helicopter Rescue Squadron (RQS). All flying operations will be conducted IAW all official publications, regulations, instructions, manuals, technical orders, and drawings from any of the following: Department of Defense (DoD), Defense Contract Management Agency (DCMA), Federal Aviation Administration (FAA), other official publications which apply to aircraft operations or associated with the processing of aircraft subsequent to their completion of depot modification. The requirements of these documents, and any additional governing documents issued by competent authority that are applicable to these operations, shall be followed. All support will be performed IAW the current DCMA Instruction 8210.1C Contractor's Flight and Ground Operations Procedures in accordance with this PWS.

Draft Performance Work Statement (PWS) is attached.

45 CONS is interested in any size business that is capable of meeting this requirement.

Market research is being conducted to determine interest, capability, and socio-economic category of potential sources for the requirement. The government requests interested parties submit a brief description of their company's business size (i.e. annual revenues and employee size), business status (i.e., 8(a), Historically Underutilized Business Zone, or SDVOSB, WOSB, EDWOSB, or small business) anticipated teaming arrangements, and a description of similar services offered to the Government and to commercial customers. Include in your capabilities package your DUNS, Cage Code, System for Award Management expiration date, GSA contract number and expiration (if applicable), and any related specifications/drawings.

NOTE: RESPONSES TO THIS SOURCES SOUGHT SHALL STATE IF THEY ARE A SUPPLIER OR MANUFACTURER!

Any responses involving teaming agreements should delineate between the work that will be accomplished by the prime and the work accomplished by the teaming partners. The Government will use this information in determining its small business set-aside decision.”

All interested firms should submit a capabilities package that outlines the firm’s capabilities in providing the required services. Contractor is required to provide all management and labor required for the operation and management of the required services. Include three past references with current contact information and contract number. If subcontracts are to be used, provide anticipated percentage of effort to be subcontracted and whether small or large businesses will be used. The capabilities package should be brief and concise, yet clearly demonstrate an ability to meet the stated requirements. **Recent, relevant experience in all areas should be provided.** Teaming and/or subcontracting arrangements should be clearly delineated and previous experience in teaming must be provided. The response must not exceed 5 pages.

DISCLAIMER: This Sources sought notice is **not a solicitation**. This notice is issued solely for information and planning purposes and does not constitute a solicitation. All information received in response to this notice that is marked "proprietary" will be handled accordingly. Responses to the sources sought notice will not be returned. In accordance with FAR 15.201(e), responses to this notice are not offerors and cannot be accepted by the Government to form a binding contract. Responders are solely responsible for all expenses associated with responding to this notice. The Government does not guarantee any action beyond this notice. The Government may not respond to questions posed in Industry responses.

ATTENTION: Although this is a Sources Sought notice only, interested parties or potential contractors must be registered with the System for Award Management (SAM) to be eligible for contract award or payment if the Government chooses to make an award. Information on registration and annual confirmation requirements may be obtained via <https://www.beta.sam.gov>

Please submit the information electronically in PDF format by 21 Apr 26 at Noon and reference RFP # FA252126QB035 to cynthia.whittaker@spaceforce.mil and gage.belyeu.2@spaceforce.mil.

Telephone responses will not be accepted.
