Sources Sought Notice (SSN)

DISCLAIMER:

This Sources Sought Notice (SSN) is issued solely for informational and market research purposes and does not constitute a solicitation. This notice shall not be construed as a commitment by the Government to award a contract, nor does it obligate the Government to any acquisition action. Responses to this notice are strictly voluntary; the Government will not reimburse any costs associated with responding. Respondents should not include proprietary or restricted information. If a solicitation is issued, it will be posted on SAM.gov. It is the responsibility of the interested parties to monitor this site for additional information pertaining to this SSN.

1. Title

Stryker-Compatible Arthroscopy Equipment

2. Purpose

The purpose of this SSN is to identify qualified and capable sources to assist in determining the appropriate acquisition strategy (e.g., small business set-aside, unrestricted). Responses will support the VA's market research for an anticipated requirement.

3. NAICS and PSC Information

Primary NAICS: 339112 – Surgical and Medical Instrument Manufacturing. Small Business Size Standard: 1,000 employees.

4. Required Vendor Responses

Vendors must provide complete responses to all items below to be considered responsive to this SSN:

1. Where are the requested items/equipment manufactured? Attach supporting documentation.
2. Are the requested items/equipment manufactured by a small or large business? Include NMR compliance documentation.
3. Provide current OEM authorization verifying the vendor is an authorized distributor and has access to OEM replacement parts (no gray-market sources accepted). Authorization letter must be current (within the last 18 months.)
4. Provide contractor name, point of contact, address, phone number, email, business size, UEI and CAGE code.

5. Identify whether your company qualifies as SB, SDVOSB, VOSB, HUBZone, or 8(a). Provide proof of certification (SDVOSB/VOSB must be SBA-certified under the VetCert program).
6. Identify any GWAC, GSA Schedule (including SINs), IDIQ, or BPA under which these supplies/services are available, including contract numbers.
7. Response shall show proof endoscopic imaging components, accessories, scopes, and sterilization trays that are functionally and mechanically compatible with current Stryker 1688 AIM imaging platforms per attached SOW.

5. Instructions for Responses

Questions regarding this SSN shall be submitted by 12:00 PM (CST), April 17, 2026, to William.Shaver@va.gov. Responses must be submitted by 07:00 AM (CST), April 20, 2026, in Microsoft Word or PDF format to the same email address. Include the subject line: "VAMC Stryker-Compatible Arthroscopy Equipment – SSN Response."

6. Market Pricing

Vendors are encouraged to provide estimated market pricing. Pricing information provided will assist the VA in determining procurement strategy and is considered part of market research only.

7. Additional Information

Information provided will be used solely for market research and will not be released outside the VA acquisition team. If no responses to this notice are received from an authorized distributor, then this action will be sole sourced to the manufacturer/authorized distributor.
