## DESCRIPTION

---

This is a Pre-Solicitation announcement to inform potential offerors of the Department of Veterans Affairs intent to advertise for proposal the project 655-26-201 Repaint Water Towers to be accomplished at the Saginaw VA Medical Center, MI. A solicitation is planned to be issued on or about April 28, 2026.

The project's general scope of work is to furnish all tools, equipment, material, permits, labor, supervision, and all other necessary resources to accomplish the following work:

Exterior surface of the water tower is to be thoroughly washed and overcoated, with the VA logo updated to the current design. The interior coating is to be fully blasted and recoated. The interior dry riser will require spot repairs and touchups as necessary.

Work is scheduled to be performed during the normal daytime business hours of the medical center excluding federal holidays.

The North American Industry Classification Code (NAICS) for this procurement is 238320, Commercial and Institutional Building Construction with a small business size standard of \$19 million. The Government intends to award a Firm-Fixed Price Contract within 120 days from proposal due date.

This acquisition is a 100% set-aside for qualified Service-Disabled Veteran Owned Small Businesses (SDVOSB). Only offers from verified SDVOSBs registered in the Veteran Small Business Certification (VetCert) at the time of proposal submission are eligible for consideration.

This notice is for informational purposes only and is not a request for submission of offers. No other information regarding scope, dates, etc. is available until issuance of the solicitation via Contract Opportunities at [beta.sam.gov](https://beta.sam.gov).

As authorized by FAR 5.102, solicitation dissemination is limited to electronic medium, and the VA will provide no hard copies. The solicitation, consisting of various documents, specifications, forms, and drawings will be available for download from the Contract Opportunities website located at <https://sam.gov>. Contract Opportunities website is the only official location to obtain solicitation information and documents.

Offerors are advised that they are responsible for obtaining all solicitation documents and acknowledging any amendments and should monitor the Contract Opportunities website for any changes to this announcement or the solicitation once posted. Prospective contractors shall complete electronic annual representations and certifications and shall be registered in the System for Award Management (SAM) at <https://sam.gov> and shall be verified in the Vendor Information Pages located at <https://vetbiz.va.gov> at the time of or prior to submitting an offer. The eventual awardee shall also have on file a current VETS4212 report filed at <https://www.dol.gov/agencies/vets/programs/vets4212> (if applicable).

Address all questions in writing to Contracting Officer Christina Shockey via email at [christina.shockey@va.gov](mailto:christina.shockey@va.gov). No fax or telephone inquiries will be answered.
