

**JUSTIFICATION AND APPROVAL
OTHER THAN FULL AND OPEN COMPETITION**

1. Identification of the agency and the contracting activity.

This justification is executed by the Naval Medical Research Command (NMRC), Silver Spring, MD, on behalf of the Navy to meet Navy Expeditionary Medical Research requirements.

2. Nature and/or description of the action.

On site technical support services for the Disorientation Research Device (DRD), Navy Medicine's most unique and expensive research system. The DRD must be 100% available and functioning perfectly to operate and ultimately collect data for this world-class research capability. The technical expertise to provide OEM (Environmental Tectonics Corporation [ETC]), Southampton, PA) level support to NAMRL engineering staff can only be provided by ETC. This support service purchase will provide the on site maintenance and upgrades necessary to ensure the continuity of the DRD. Sole source.

3. Description of Supplies or Services.

New on site technical support services contract for the Disorientation Research Device starting 30 MAR 2026.

4. Identification of the statutory exceptions permitting other than full and open competition.

The statutory exception permitting other than full and open competition for this acquisition is

10 U.S.C. 2304(c)(1) and FAR 13.106-1(b)(1) soliciting from a single source.

Use one of the following in both sections, then delete those not used:

10 U.S.C. 2304(c)(1), Only one responsible source.

Be sure to include the FAR cite as well. See attached FAR explanation sheet for J&A references

FAR Part 13 FAR 13.106-1(b)(1) <\$150K

5. Demonstration that the proposed contractor's unique qualifications or the nature of the acquisition requires use of the authority cited.

Offer is for service support of an existing system, sole source.

6. Description of efforts made to ensure that offers are solicited from as many potential sources as practicable.

Market research was performed, the results of which are in paragraph 8. This requirement will be posted to the government point of entry in accordance with FAR 5.202.

7. Determination by the Contracting Officer that the anticipated cost to the Government will be fair and reasonable.

The Contracting Officer shall determine the anticipated cost to the Government of the supplies/services covered by this Justification and Approval will be fair and reasonable by conducting a price analysis before an award is made. In addition, the Government anticipates that the negotiated contract price will reflect a discount from ETC's commercial price list and will be determined fair and reasonable.

8. Description of the market survey conducted and the results, or a statement of the reasons a market survey was not conducted.

Sole source service by the OEM.

9. Other facts supporting the use of other than full and open competition.

Not applicable.

10. Listing of Sources, if any, which expressed, in writing, an interest in the acquisition.

Not applicable.

11. Statement of actions, if any, the agency may take to remove or overcome any barriers to competition before any subsequent acquisition for the supplies or services required.

For the reasons set forth in Paragraph 5, (contracting activity) has no plans at this time to compete future contacts for the types of supplies/services covered by this document. If another potential source emerges, (NMRC) will assess whether competition for future requirements are feasible.

12. Point of Contact:

The point of contact at the Naval Medical Research Command, Silver Spring, MD, regarding the contents of the sole source justification are the Contracting Officers in the Material Management Department (MMD) and can be reached by emailing usn.detrick.nmrc.mbx.mmd-contracts@health.mil.
