Projected Solicitation:

The Government anticipates issuing a Request for Proposal (RFP) on or about 6 Apr 2026. The solicitation and any subsequent amendments will be made available through the System for Award Management (SAM.gov) website.

Competition and Eligibility:

The solicitation upon issuance is intended only for sources duly authorized to operate and do business in Japan, as prescribed by DFARS 252.225-7042. Additionally, to ensure the U.S. Navy receives satisfactory repair effort to Navy ships, boats and crafts, the solicitation will require the offeror to possess a current and active USN Master Ship Repair Agreement (MSRA) or Agreement for Boat Repair (ABR) issued by the U.S. Navy or NAVSUP FLCY.

Non MSRA/ABR holders may request an application for an MSRA or an ABR certification by requesting an application package from: fley_msra_abr_group@us.navy.mil. Please note that the MSRA/ABR Certification process may require a year to complete.

Set-asides:

No socio-economic set-asides will be used for this acquisition.

Point of Contact (POC):
