

THIS IS A SOURCES SOUGHT NOTICE FOR INFORMATION AND PLANNING PURPOSES ONLY. This announcement closes 1:00 p.m. Eastern Time on Friday, 03 April 2026. The applicable North American Industry Classification System (NAICS) for this requirement is **532210, Consumer Electronics and Appliances Rental**, with a corresponding size standard of \$47M. Interested parties must be registered under NAICS **532210** in the System for Award Management (SAM) at www.sam.gov. The Government plans to consider all information submitted in response to this Sources Sought Notice.

The contractor shall provide all labor, supervision, tools, equipment and transportation necessary to provide, install and maintain washers and dryers, on a rental basis, on Langley AFB, VA in accordance with (IAW) this performance work statement (PWS). The washers and dryers will be rented from the contractor, in new condition, and the contractor shall also perform quarterly inspections/preventative maintenance and perform repairs on an as needed basis.

Performance will consist of one (1) 12-month base period, and four (4) one-year option periods. The Government anticipates making award on or about 05 June 2026, with the Request for Quote (RFQ) release date on or about 15 April 2026.

Please note: This is an estimated posting timeframe, and it is the responsibility of the interested parties to monitor the System for Award Management website at www.sam.gov for all subsequent postings. The unique requirement's draft Performance Work Statement (PWS) are posted in conjunction with this notice to provide the size, scope, and complexity of this requirement.

This **is not** a formal Request for Quote, and no contract will result from this notice, nor does it commit the Government to any acquisition for these services. **All** interested parties shall submit a capabilities package (no more than 12 pages total) outlining your company's key business abilities **relevant** to the performance of this requirement **and** addressing the questions found in Attachment 1. Please submit the requested information to this office by NLT the closing date and time (**03 April 2026, 1:00 p.m. Eastern Time**) to Vanity Wright at vanity.wright@us.af.mil and Cameron Bettencourt at cameron.bettencourt@us.af.mil.

The internet and e-mail shall be used as the primary means of disseminating and exchanging all information. Hard copies of documents posted on SAM will not be made available. The Government will provide an email confirmation acknowledging receipt of information submitted.

Include the following information about your organization in your response:

Name of Organization

Address

Telephone Number

Point(s) of Contact

E-Mail Addresses

Cage Code

Market Research Questionnaire

Langley AFB Washer/Dryer Lease and Maintenance

Draft Solicitation Number: FA480026Q0033

The 633d Contracting Squadron, Langley AFB VA, anticipates procuring a contract for the provision of services for the installation, lease, and maintenance of washer and dryer units. As part of the Government's continuous information exchange with Industry while formulating the acquisition strategy, the Government requests your assistance in determining if this requirement must be competed or set aside.

In order for the Contracting Officer to make a determination for any acquisition, there must be a reasonable expectation that offerors can satisfactorily perform contract requirements and that award will be made at fair market prices. The Government believes it is mutually beneficial to all parties if this determination is made as early as possible in the acquisition process. If your firm intends to submit a proposal as Prime contractor for this effort, you must respond to the following questions regarding your experience, capabilities, and intentions. The Government **is not** requesting technical and/or management proposals at this time. Your response will be used solely for the market research purposes in the formulation of the acquisition strategy.

- 1) Do you intend to submit a proposal as Prime contractor for this requirement?
- 2) Submit evidence of experience and ability to support a leased washer/dryer services type contract.
- 3) Include information on your company's technical and financial abilities that will allow you to meet the requirements of a program of this magnitude. Refer to the Draft Performance Work Statement (PWS).
- 4) Address your company's ability to manage and integrate subcontract efforts.
- 5) Identify whether your company is a **Small Business** concern under the North American Industry Classification System (NAICS) Code 532210, Consumer Electronics and Appliances Rental.

All information received will be protected and safeguarded as Source Selection Sensitive Information IAW FAR 3.104, Procurement Integrity. Please submit the requested information to this office by NLT the closing date and time (**03 April 2026, 1:00 p.m. Eastern Time**) to Vanity Wright at vanity.wright@us.af.mil and Cameron Bettencourt at cameron.bettencourt@us.af.mil.
