

Sources Sought Notice

Sources Sought Notice – Brand Name or Equal

This is a Sources Sought announcement for acquisition planning purposes and no formal solicitation exists at this time. All businesses capable of providing Belzona or Equal materials are invited to submit a capability statement. Capability statements received will be used to determine an appropriate procurement strategy.

Proposed Project: Belzona or Equal Blanket Purchase Agreement (BPA) – Five-Year

Location: Hoover Dam Central Warehouse, Hwy 93 / St. Rte. 172, Boulder City, NV 89005

Background: Hoover Dam uses specialized composite repair materials for maintenance on turbine runners, wicket gates, pipe interiors, and other components.

The Government requires Belzona or Equal products. Equivalent products must meet the salient characteristics listed below.

Salient Characteristics (Brand Name or Equal):

- Must be a high-performance polymer repair compound suitable for metal rebuilding (equivalent to Belzona 1311 Ceramic R-Metal).
- Must provide ceramic-filled, erosion-resistant protective coating comparable to Belzona 1321 Ceramic S-Metal.
- Must be a low-friction hydrophobic coating suitable for efficiency improvements (equivalent to Belzona 1341 Supermetalgilde).
- Must be a high-strength elastomeric material used for impact and abrasion protection (equivalent to Belzona 2141 ACR Elastomer).
- Must include compatible elastomer surface conditioner comparable to Belzona 2941.

Period of Performance: Five (5) years from date of award.

NAICS: 325510 (Paint and Coating Manufacturing), Size Standard: 1,000 employees.

Interested firms must submit the following information:

1. Name and address of Firm
2. Phone number
3. Email Address
4. Unique Entity ID Number (UEI)
5. Size status/SBA certifications

6. Capability Statement (not to exceed 5 pages)

- request to provide the comparable product data sheet for “or equal” items

Responses Due: No later than 1500 PT, 2 April 2026. Email: gilbert_mincey@ios.doi.gov and luis_gallardo@ios.doi.gov.
