

SOURCES SOUGHT NOTICE

(Central Section Sump Pump Replacements – Hoover Dam)

Sources Sought Notice – Brand Name or Equal

This is a Sources Sought announcement for acquisition planning purposes and no formal solicitation exists at this time. All businesses, regardless of size, capable of providing Hydroflo or Equal materials described in this announcement are invited to submit a capability statement. The Government will use the information received to determine appropriate acquisition strategy, including potential set-aside decisions. The Government does not intend to award a contract based on this notice.

Proposed Project:

Replacement of Two Hydroflo Vertical Turbine pumps or equal Central Section Sump Pumps for Hoover Dam.

Location:

Hoover Dam Central Warehouse
Hwy 93 / St. Rte. 172
Boulder City, NV 89005

NAICS Code:

333914 – Measuring, Dispensing, and Other Pumping Equipment Manufacturing
(Size Standard: 750 employees)

Scope of Requirement

The Government requires two (2) interchangeable sump pump assemblies meeting the following characteristics, based on previously procured HydroFlo Vertical Turbine pumps.

Required Pump Assembly Characteristics

- 16HH single-stage vertical turbine pump assembly
- 1.5” head shaft assembly, 416 stainless steel, 10 TPI, left-hand, bronze adjusting nut and key
- Coated steel motor stand; 16” 150# flat-face discharge flange; separate base plate
- Approx. 630” of 16” oil-lube/water-flush column assembly with 2.5”-12LH × 1.5” flush tube and shaft
- Underground-style discharge
- 16HH oil-lube/water-flush bowl assembly with bell suction
- External oil-lube line for bowl assembly
- 304 stainless-steel bolt-on basket strainer
- All steel components coated with **Tnemec N140**, 6–8 mils DFT

- 16HH impeller and collet – **316 stainless steel**
- Motor: 2300 V, 3-phase, 60 Hz, 150 HP, 1800 RPM, 4-pole, Wye-Delta start, frame 447TPA

Required Pump Performance

- **Flow:** 5000 GPM
- **Head:** 60 ft
- **NPSHr:** 18.6 ft max

Information Requested from Interested Firms

Firms responding must submit:

1. Company Name and Address
 2. Phone Number
 3. Email Address
 4. **UEI**
 5. Business Size / SBA Certifications (SB, WOSB, HUBZone, SDVOSB, ISBEE, other)
 6. **Capability Statement** (≤5 pages) to demonstrate experience performing similar work, including references and POC information
- request to provide the comparable product data sheet for “or equal” items

Response Instructions

Submit responses **no later than 1500 Pacific Time, April 6, 2026**

Email: gilbert_mincey@ios.doi.gov and luis_gallardo@ios.doi.gov

Include reference number (**140R3026Q0054**) in the subject line.
