Synopsis Pre-Solicitation Notice
D5217 (DSC-CS)
JELA 311263
Solicitation No: 140P2026R0036

To: General Public via SAM.gov

From: National Park Service (NPS), Denver Service Center (DSC), Contracting Services (CS) Division

Subject: Pre-Solicitation Notice (PSN) – Request for Proposal (RFP) 140P2026R0036, JELA 311263, Canal Backfilling

This pre-solicitation announcement is to advise the Industry that NPS DSC intends on issuing an RFP Solicitation for the Construction Services described below, in support of the above referenced project requirement at Jean Lafitte National Historical Park and Preserve, Louisiana.

This pre-solicitation notice is not a formal solicitation in itself, but rather a synopsis of forthcoming RFP 140P2026R0036. Specific instructions on submitting your proposal will be contained in the solicitation documents to be issued on or after 3 April 2026.

General Project Description and Scope:

This project is located at Jean Lafitte National Historical Park and Preserve, Louisiana, Canal Backfilling. Work to be performed under this Construction Services project requirement includes:

1. Canal Backfilling

North American Industry Classification System (NAICS) Code for this requirement is: 238910 – Site Preparation Contractors

Set-Aside: *Small Business - Set-Aside*

Size Standard: \$19 Million.

Product Service Code (PSC): Z1KB – Canal Maintenance

Magnitude of Construction: \$1 Million - \$5 Million

Anticipated Period of Performance: 90 calendar-days from Notice to Proceed (NTP).

Contract-Type Vehicle: Firm-Fixed-Price (FFP), Stand-Alone Contract.

Bonding: Bid, Performance and Payment Bonds will be required.

Additional Information: RFP 140P2026R0036 will be issued electronically via the System for Award Management website (<https://sam.gov>). Specific instructions on submitting Proposals will be contained in the formal Solicitation documents, which is anticipated to be issued 3 April 2026. Documents will be made available for download purposes in Microsoft Word, Microsoft Excel, Adobe PDF, and/or HTML formats; Specifications available in Adobe PDF; and Drawings available in Adobe PDF. Paper Copies of the referenced documents will not be made available.

Prospective offerors desiring to conduct business with the NPS DSC are required to have an active registration in the Systems for Awards Management (SAM) at www.sam.gov, and required to have a UEI number in order to conduct business with the Federal Government. The SAM.gov website has a “Contract Opportunities” area and “Watchlist” option, where you can add your company’s interest. Registering provides the opportunity to receive notifications, which is a tool of convenience only; and does not serve as a guarantee of notification. Interested parties are required to visit the SAM.gov website periodically to check for Amendments and other changes to the Synopsis or Solicitation documents.

The NPS DSC anticipates a pre-proposal conference and site visit, after issuance of the formal RFP solicitation and prior to the proposal due date.

Federal Acquisition Regulations (FAR) Procedures: FAR Part 15 – “Contracting by Negotiation,” and FAR Part 36 – “Construction and Architect-Engineer Contracts,” in conjunction with FAR 6.203 and FAR 19.502-2. Award shall be made to the responsible Offeror whose offer conforms to requirements and represents the Best Value to the Government, considering Technical, Past Performance, and Price factors.

Trade-off: The basis of award will utilize the best value continuum – Trade-off process in accordance with FAR 15.101-1 to result in an award to the responsible Offeror pursuant to FAR 9.1.
