

Notice of Intent to Sole Source

Notice Type: Special Notice

Agency: Department of Health and Human Services (HHS)

Sub-Agency: National Institutes of Health (NIH)

Office: National Institute of Environmental Health Sciences (NIEHS), Office of Acquisition

Requisition No.: TBD

NAICS Code: 811210 – Electronic and Precision Equipment Repair and Maintenance

PSC Code: J066 – Maintenance, Repair, and Rebuilding of Equipment – Instruments and Laboratory Equipment

Description

This is a Notice of Intent to Sole Source and is not a request for competitive proposals.

The National Institute of Environmental Health Sciences (NIEHS), Office of Acquisitions, intends to negotiate and award a firm-fixed-price purchase order on a sole source basis to:

Biocare Medical

60 Berry Drive

Pacheco, CA 94553

UEI: MS7LZ6JPYNQ5

CAGE Code: 1U5G0

This acquisition is conducted under the authority of FAR 13.106-1(b)(1), Soliciting from a Single Source, as only one source is reasonably available to meet the Government's requirements.

Requirement

The Contractor shall provide all labor, materials, and equipment necessary to maintain and provide preventive maintenance for the **Biocare IntelliPATH FLX Automated Slide Staining System**.

The Contractor shall:

- Perform at least one (1) planned preventive maintenance service during each contract period.
- Ensure that technically qualified, factory-trained personnel perform all services.
- Conduct a thorough cleaning, calibration, adjustment, inspection, and testing of all equipment in accordance with the manufacturer's latest established service procedures.
- Access to proprietary service procedures and Original Equipment Manufacturer Parts
- Operationally test the equipment through at least one (1) complete operating cycle at the conclusion of the preventive maintenance inspection to ensure optimum and efficient performance.

Period of Performance

The anticipated period of performance shall consist of a twelve (12) month base period and four (4) one-year option periods, if exercised by the Government, as follows:

- **Base Period:** August 1, 2026 – July 31, 2027

- **Option Period 1:** August 1, 2027 – July 31, 2028
- **Option Period 2:** August 1, 2028 – July 31, 2029
- **Option Period 3:** August 1, 2029 – July 31, 2030
- **Option Period 4:** August 1, 2030 – July 31, 2031

Exercise of option periods is at the sole discretion of the Government in accordance with FAR 52.217-9, Option to Extend the Term of the Contract (if applicable).

Response to This Notice

This notice is not a request for competitive proposals. However, interested parties may submit a capability statement demonstrating their ability to meet the Government's requirement as described above.

Capability statements must clearly demonstrate:

- Authorization from the manufacturer to service the Biocare IntelliPATH FLX system;
- Access to proprietary service procedures and Original Equipment Manufacturer Parts
- Technicians trained and certified specifically for this equipment.

Responses shall not exceed five (5) pages and must be submitted electronically via email no later than:

March 24, 2026, at 12:00 PM EST

To:

Michael Gemmill

Contracting Officer

michael.gemmill@hhs.gov

All interested parties must have an active registration in SAM.gov (www.sam.gov).

The Government will consider all responses received by the deadline. However, a determination by the Government not to compete this proposed acquisition based upon responses to this notice is solely within the discretion of the Government.
