

STATEMENT OF WORK (SERVICES) (SOW)

GENERAL INFORMATION

Title of Project:

Mobile Research Vehicles (MRV) electrical services

Statement of Need and Purpose:

The contractor shall provide all resources necessary to accomplish the tasks and deliverables described in this Statement of Work (SOW). The contractor shall provide electric services to the Mobile Research Vehicles located in Baltimore, Maryland.

Background Information and Objective:

The HANDLS study requires electricity services for three Mobile Research Vehicles. The vehicles are located in neighborhoods in Baltimore, Maryland during the year while participants are being seen in a clinical setting. The longitudinal study is examining aging in a representative sample of urban-dwelling volunteers from Baltimore, Maryland.

Period of Performance:

The contractor shall provide all resources necessary to accomplish the tasks and deliverables described in this Statement of Work (SOW). The contractor shall provide all electrical services to the three Mobile Research Vehicles. The performance period will be May 1, 2026 to April 30, 2027.

SCOPE OF WORK

General Requirements:

Independently and not as an agent of the Government, the Contractor shall furnish all the necessary services, qualified personnel, material, equipment, and facilities, not otherwise provided by the Government as needed to perform the Statement of Work below:

Specific Requirements:

Independently and not as an agent of the Government, the Contractor shall furnish all the necessary services, qualified personnel, material, equipment, and facilities, not otherwise provided by the Government as needed to perform the Statement of Work below:

- The contractor shall provide electricity to three Mobile Research Vehicles located together in Baltimore, Maryland
- Meters to be covered: G160020018 and G185985002

LEVEL OF EFFORT:

N/A

GOVERNMENT RESPONSIBILITIES

The government will provide the vehicles, which move to different locations in Baltimore, Maryland. Normally, they are sites where the MRVs have been parked so connectivity is not a problem.

DELIVERY OR DELIVERABLES

Electricity and installation services to the MRVs.
