

The NAVSUP Fleet Logistics Center (FLC) Norfolk, Contracting Department, Norfolk, VA 23511-3392 intends to award a firm fixed-price contract for Potable Water Pumps in support of Carrier Strike Group Four. This is a combined synopsis/solicitation for commercial products or commercial services prepared in accordance with the format in FAR part 12. This announcement constitutes the only solicitation; quotes are being requested and a written solicitation will not be issued. The requirement covers the procurement for Potable Water Pumps for Carrier Strike Group Four in Norfolk, VA. This requirement is a **sole source award** to Carver Pump.

Any potential contractor capable of demonstrating that it is qualified to perform the work to the required standards and that wishes to make a competitive quote for the contract should submit a capability statement in SAM.gov. Through its submission, the vendor acknowledges the requirement that a prospective awardee must be registered in the System for Award Management (SAM) database prior to award, during performance, and through final payment of any contract resulting from this solicitation, except for award to foreign vendors for work to be performed outside the United States. Lack of registration in the SAM database will make a vendor ineligible for award.

The North American Industry Classification System (NAICS) code for this acquisition is 336611- Ship Building and Repairing. The Size Standard is 1300 employees. The product service code (PSC) is 1915- Cargo and tanker vessels.

The supplies are to be delivered 30 days after award.
