

**NOTICE OF INTENT TO AWARD A SOLE SOURCE CONTRACT.
THIS IS NOT A REQUEST FOR COMPETITIVE PROPOSALS.**

The Bureau of Indian Education (BIE) intends to enter into a sole source Firm-Fixed Price contract with Teaching Strategies, LLC for a follow-on for the ReadyRosie Resources support services under the authority of the Simplified Procedures for Certain Commercial Products and Commercial Services as implemented by FAR 13.501(a)(1)(ii).

The Government anticipates the award of a contract consisting of a base year plus four (4) option years subject to successful past performance and the availability of current year funding. The total estimated dollar value is approximately \$245,258.04.

Based on the source sought, DOIAFBO260038 posted on 4/01/2026, there were three (3) responses received on or before 4/09/2026. After a thorough review of said responses, the Agency has determined that one (1) vendor did demonstrate the general capability in providing related services; but ultimately the proposed services would duplicate support services already provided within the FACE program. The remaining two (2) vendors' statement did not identify the capability of meeting the outlined requirement. The Contracting Officers' decision is to award this requirement as a sole source award.

No solicitation is available, and no technical questions will be answered regarding this requirement. The NAICS code for this acquisition is 611710. Please contact Michelle Nahlee, Contract Specialist, via email at michelle.nahlee@bie.edu.
