

LETTERKENNY ARMY DEPOT INDUSTRY DAYS

You are cordially invited to attend the Letterkenny Army Depot (LEAD) Industry Days in May 2026. This event is designed to foster collaboration between government and industry, communicate LEAD's strategic modernization priorities, and explore future avenues for partnership.

Attendees will gain critical insights into upcoming depot modernization efforts and can engage directly with command leadership. Our primary objective is to unite industry leaders to identify and develop initiatives that sustain current LEAD missions while expanding future capabilities.

We are specifically looking to align private industry with the Department of War through the following collaborative mechanisms:

- Public-Private Partnership
- Enhanced Use Lease
- Cooperative Research and Development Agreement

If you are interested in exploring these strategic opportunities, please register using the directions below no later than May 4, 2026. Depending on interest, attendees may be selected to attend either an in-person event on May 20, starting at 9:00 a.m., or a virtual event on May 21.
